Subject: Resolution Approving and Authorizing the County Manager to Execute a Voluntary Compliance (VCA) between the United States Department of Housing and Urban Development (USHUD) and Miami-Dade County on behalf of Miami-Dade Housing Agency (MDHA) to Resolve Outstanding Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act Deficiencies; Authorizing the County Manager or His Designee to Advertise a Request for Proposals for Architects, Design Firms and Contractors to Accomplish Goals of the VCA and Authorizing the Miami-Dade Building Department to Expedite Permits and Other Building Requirements and Waiving the Sixty (60) Day Reconsideration Period

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) authorize the County Manager to execute a Voluntary Compliance Agreement (VCA) between Miami-Dade County and the United States Department of Housing and Urban Department (USHUD) to address outstanding Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act deficiencies within the housing and non-housing programs administered by Miami-Dade Housing Agency (MDHA), and to advertise Request for Proposals (RFP) for a Surveyor, Architect/Design Firm(s) and Contractor(s) to accomplish goals of VCA and authorize Miami-Dade Building Department to expedite permits and other building requirements and waive the sixty (60) day reconsideration period.

BACKGROUND

During the week of February 23-27, 2004, the United States Department of Housing and Urban Development (USHUD) conducted a compliance review under the authorities of Section 504 and Title II of the ADA. The USHUD reviewed MDHA's programs, services and activities. The Department's review included a review of MDHA's application and admissions process; tenant selection and assignment policy and process; the designated accessible housing units, including common areas; and other housing and non-housing programs and activities. Additionally, the USHUD conducted an accessibility review of the MDHA's Main Administration Building and Administration Building "F"; the Application and Leasing Center; the Private Rental Housing Division; and the Adker Consent Decree Mobility Pool Office. USHUD also reviewed MDHA's waiting lists, resident applications, reasonable accommodation requests, current policies and procedures, including MDHA's Admissions and Continued Occupancy

Policy (ACOP 2003) and the Reasonable Accommodation, Transfer and Occupancy Policies. Finally, the Department conducted interviews with MDHA residents and staff.

USHUD's review revealed deficiencies related to the physical accessibility of the common areas and individual housing units, as well as deficiencies in MDHA's current policies and procedures. On July 8, 2004, USHUD issued to MDHA a preliminary Letter of Findings of Non-Compliance (LOF) addressing various Section 504 and ADA deficiencies. During the week of November 15-19, 2004, teams from USHUD and from Miami-Dade County, which included the County Attorney's Office and MDHA, met to resolve the stated deficiencies and to negotiate the terms of the VCA, which is attached to the accompanying resolution, in lieu of a federal lawsuit being filed against Miami-Dade County by the United States Department of Justice.

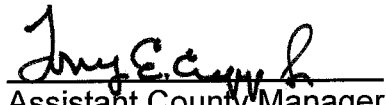

The VCA requires Miami-Dade County to address deficiencies identified in MDHA's housing, non-housing, (i.e., common entrances, management offices, laundry rooms common areas, corridors, hallways, elevators, community programs and day care facilities,) and administrative offices as follows:

- ❖ MDHA must select and hire a VCA Administrator within 120 days of the execution of the VCA that shall report to the MDHA Director to coordinate all compliance activities of the VCA.
- ❖ The County is required to procure a Surveyor, Architect/Design Firm(s) and Contractors to perform the work specified under the VCA.
- ❖ The County/MDHA shall construct or convert a minimum of 5%, i.e., 478 of its 9,543 total housing units to comply with Section 504, Title II of the ADA, the Uniform Federal Accessibility Standards (UFAS), the Fair Housing Act and the Architecture Barriers Act.
- ❖ The County/MDHA shall ensure that non-housing programs are accessible to persons with disabilities, including, but not limited to all common areas, accessible routes, management and regional offices (including restrooms), laundry room mail delivery, trash disposal, meeting rooms, recreation rooms, community center (including restrooms) and day care centers (including restrooms),
- ❖ The County/MDHA shall complete accessibility modifications to MDHA Central Office, Private Rental Housing Division offices and administrative offices housing MDHA's ADA Coordinator.
- ❖ The County/MDHA must meet all the terms and conditions of the VCA within six (6) years from the date it is executed.

Honorable Chairman Joe A. Martinez and
Members, Board of County Commissioners
Page 3

Upon the advice of the County Attorney's Office, it is recommended that the VCA be executed by the County in order to address the issues raised in USHUD's LOF and, to comply with the County's responsibilities under Section 504, Title II of the ADA, the Fair Housing Act, the Architectural Barriers Act, and their respective implementing regulations. USHUD has also requested that the VCA be executed no later than mid-March 2005 to avoid further delays in complying with applicable federal laws and regulations and the terms and conditions of the VCA.

It is anticipated that all of the funds necessary to procure the surveyor, architect/design firm(s), contractors and to work specified under the terms and conditions of the VCA will be funded through the Capital Fund Program (CFP) funds. These federal funds are subject to availability. If CFP funds are not available, MDHA will request USHUD to renegotiate the terms of the VCA as they relate to funding.

Admissions and Continued Occupancy Policy

I. Program Administration

A. Purpose of the Admission and Continued Occupancy Policy

This Admission and Continued Occupancy Policy (ACOP) is a supporting document to Miami-Dade Housing Agency's Public Housing Agency (PHA) Plan. It shall be available for public review during regular office hours Monday through Friday at its main administrative offices located at 1401 NW 7 Street, and at the Public Housing Regional and Site Offices.

The purpose of the ACOP is to establish written policies in accordance with United States Department of Housing and Urban Development (USHUD) regulations and in regards to matters not covered under the USHUD regulations, but left to local discretion for the Public Housing Program and the County-owned Section 8 New Construction developments owned by MDHA. These programs were established by the United States Housing Act of 1937. The regulations that govern these programs are documented in 24 Code of Federal Regulations (CFR) Parts 5, 960, 966, 880 and other applicable regulations promulgated by the USHUD.

B. Miami-Dade Housing Agency (MDHA)

Miami-Dade County, the local government entity responsible for affordable housing programs, administers assisted housing programs through one of its departments, the Miami-Dade Housing Agency, hereafter referred to as the "Agency" or "MDHA". Although the Agency has responsibility for all day-to-day operations of the Public Housing programs, any revisions to this ACOP after its adoption, require approval from the Board of County Commissioners and/or other authorized MDHA officials.

Administration of the Public Housing programs shall comply with applicable Federal, State and Local law, the Public Housing and Section 8 New Construction regulations, handbooks, and policies promulgated by the USHUD, and other federal laws including the Fair Housing Act, as amended, The Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, and Section 3 of the Housing and Urban Development Act of 1968, as amended.

C. Ann Marie Adker, et al v. Miami-Dade County and USHUD, Decree

Ann-Marie Adker and other public housing residents filed a lawsuit against USHUD and Miami-Dade County asserting claims of violations of fair housing and civil rights laws. Without admission of any liability, the County and USHUD agreed to resolve all outstanding claims the plaintiffs had against them and a Decree was entered on October 28, 1998 by the District Court. The term of the Decree is ten (10) years.

This ACOP incorporates and implements the provisions of the Decree on Applicant Processing, Tenant Selection, Placement and waiting lists management. Nothing contained herein is intended to change, amend or replace any provision of the Decree. Wherever conflicts may occur between both documents, the provisions of the Decree shall govern.

II. Eligibility for Admission and Processing of Applications

A. Affirmative Marketing

MDHA will take affirmative steps to further fair housing goals by developing a marketing plan that attracts and ensures inclusion on its waiting list of all persons without regard to race, national origin, color, sex, religion, age, disability, familial status, ancestry or sexual orientation.

The opening of the waiting list will be advertised at a minimum in each of the following newspapers: *The Miami Herald*, the largest paper of daily general circulation; *The Miami Times*, the paper with the largest circulation among African-Americans; *Diario Las Americas*, a Spanish publication, and the *Haiti en March*, a Haitian publication. The opening and closing dates of any open waiting list period will be advertised a minimum of two (2) weeks in advance.

1. Outreach to Very-Low Income Families.

Efforts will be taken for special outreach to ensure that all segments of Miami-Dade County's eligible population are informed of all opportunities to apply for program assistance. In order to reach the widest, most needy eligible population, special outreach may take any of the following methods:

- Notice to churches, synagogues, and other places of worship,
- Notice to government offices including Miami-Dade County regional libraries, Team Metro Offices, Miami-Dade County Department of Human Services, Social Security Administration, State of Florida Department of Children and Families or other agencies designed to assist the low income community;
- Notice to agencies that assist the elderly or disabled;
- Public service announcement on radio or television;
- Announcement at public meetings; and
- Any other methods deemed appropriate to increase the scope of outreach for eligible applicants.

In accordance with the Decree, MDHA will consult with the fair housing center (see definition in Appendix I of this policy) on MDHA's affirmative marketing plan before implementation.

2. Marketing and informational materials will:

- Comply with Fair Housing Act requirements on wording, logo, size of type, etc.;
- Describe the housing units, application process, waiting list and preference structure accurately;
- Use clear and easy to understand terms and distribute in more than English-language print media;
- Contact agencies that serve potentially qualified applicants least likely to apply (e.g. the disabled) to ensure that accessible/504/ADA-adaptable units are offered to applicants who need their features;

- Make clear who is eligible: low income individuals and families; working and non-working people; and people with both physical and mental disabilities; and
- Be clear about MDHA's responsibility to provide reasonable accommodations to people with disabilities.

B. Qualifying for Admission

1. It is MDHA's policy to admit into its housing programs only qualified applicants.
2. An applicant is qualified if he or she meets all of the following criteria:
 - Is a family, as defined in Appendix I of this policy;
 - Meets USHUD requirements on citizenship or immigration status as described in item # 3 below;
 - Has an Annual Income (as stated in Chapter XII of this policy) at the time of admission that does not exceed the income limits (maximum incomes by family size established by USHUD) posted in MDHA offices;
 - Provides documentation of Social Security numbers for family members age six (6) or older, or certifies that they do not have Social Security numbers, as described in item # 4 below; and
 - Meets the Applicant Selection Criteria in Chapter II, Sections G, H, I, J, K & L of this policy, including completing a MDHA-approved pre-occupancy orientation session, if requested;

3. Citizenship or Eligible Immigration Status

In order to receive housing assistance, applicants shall be U.S. citizens or have eligible immigration status. Details of the requirements are described below:

- a. MDHA requires all participant families receiving assistance on June 19, 1995 or after November 29, 1996 to provide written documentation of legal immigration status. At the time of annual re-certification or interim certification any new family member shall provide written proof of immigration status for verification by MDHA. All family members must submit proof as follows:
 - Citizens - Signed declaration of U.S. citizenship. MDHA requires verification of citizenship through U.S. passport, voter registration card, birth certificate, or naturalization papers for any family member asserting U.S. citizenship.
 - Non-citizens sixty two (62) years of age and older as of June 19, 1995 - Signed declaration of eligible immigration status and proof of age.
 - All other non-citizens - Signed declaration of eligible immigration status and specified acceptable U.S. Immigration and Naturalization Service (INS) documents of eligible immigration status
- b. Required documentation shall be provided by the family upon declaration of each family member's citizenship or eligible non-citizen status. MDHA may extend the submission period not to exceed thirty (30) days. The family is required to submit evidence of eligible status only once while being continuously assisted under the program. MDHA shall verify with INS through primary, and if necessary, secondary verifications of documentary evidence submitted by the family to determine the eligibility of each family member.

- c. Once the applicant or participant has submitted the documents of eligibility, MDHA may not deny, delay or terminate assistance solely on the basis that the primary or secondary verification of the immigration documents has not been completed.
- d. In circumstances where INS has not verified eligibility, the family will be provided with a written notice that shall include:
 - That the family has a right to request an appeal to INS of the results of the verification of immigration status;
 - That the family has the right to request an informal hearing with MDHA upon completion of the INS appeal. Such hearing shall be in accordance with hearing procedures in Chapter IX of this policy;
 - That housing assistance may not be denied or terminated until the conclusion of the INS or MDHA appeal process; and
 - Notification of the type of assistance for which the family may be eligible (continued assistance, temporary deferral of assistance or pro-ratio of assistance).

4. Mandatory Social Security Numbers

- a. Families are required to provide verification of social security numbers for all family members age six (6) and older prior to admission, if they have been issued a number by the Social Security Administration. This requirement also applies to persons joining the family after admission to the program.
- b. Failure to furnish verification of social security numbers is grounds for denial or termination of assistance.
- c. Persons who have not been issued a social security number must sign a certification that they have never been issued a social security number.
- d. Persons who disclose their social security number but cannot provide verification must sign a certification and provide verification within sixty (60) days. Elderly persons (as defined in Appendix I of this policy) must provide verification within one hundred and twenty (120) days.

5. Legal Capacity:

The head of household of the family must be eighteen (18) years of age or older or have been emancipated by a court of competent jurisdiction, consistent with Florida law. The head of household must have the capacity under state and local law to enter into a legally binding lease agreement, in which the tenant is bound by the terms of the lease.

C. **Waiting List Management**

In accordance with the Decree, the waiting list has been organized into two (2) separate waiting lists: one (1) for Project-based programs and a second for Tenant-based programs.

- 1. The Project-based Waiting List includes the following programs:

- Conventional Public Housing, including Assisted Living Facilities,
- County-owned Section 8 New Construction; and
- Section 8 Moderate Rehabilitation

2. The Tenant-based Waiting List includes the following programs:

- The Housing Choice Voucher Program, and all targeted programs including but not limited to,
- Welfare-to-Work,
- Mainstream Vouchers for Non-Elderly Persons with Disabilities; and
- Project-Based Voucher Program.

The requirements for the Tenant-based Waiting List are included in MDHA's Section 8 Administrative Plan.

3. Position on Waiting List

In the Project-based Waiting List, each applicant will be categorized by the type (elderly or non-elderly, elderly/disabled and/or non-elderly/disabled) and size (number of bedrooms required) of unit. Applicants who qualify for any local preferences that may be established shall be given priority for housing placement over non-preference applicants.

4. Movement on the Waiting List

Each family moves up the waiting list as families with the highest ranking order based on the neutral lottery system are housed.

When an applicant is close to the top of the Project-based Waiting List, the applicant's information will be verified so that the applicant may be certified eligible to receive benefits. As required by the Decree, those applicants who are determined eligible to be offered family public housing units and for whom a desegregative housing offer (see definition in Appendix I of this policy) will be available, shall be referred to the fair housing center for initial mobility counseling, if chosen by the applicant.

Applicants determined ineligible will be promptly notified of their ineligibility and the reason for the determination, and shall be provided an opportunity for an informal review if requested within thirty (30) days of the notice. A mobility pool member (class members of the Decree) that has come to the top of the mobility pool list and determined ineligible for one (1) program shall remain on the mobility pool list for purposes of receiving offers from other programs for which mobility pool members may be eligible, including homeownership opportunities.

5. Changes to Family Composition While on Waiting List

- a. Changes to the family composition after an application has been submitted include addition of family members born to, adopted or otherwise granted custody to the family by operation of law, which may include foster children. Immediate family members include spouses, sons, daughters, brothers/sisters, parents, and grandchildren.

- b. MDHA will require documentation that the head of household has authorization to include a minor as part of the household. Court approved custody or guardianship is not the only mechanism for establishing that a head of household has authorization to include a minor in the family composition. Changes to the family composition may also be allowed for families in which one (1) or more children less than eighteen (18) years of age live with the designee of the parent or legal custodian, with the parent or custodian's written consent. Documentation can include but is not limited to court documents, pre-need guardian, school records, other state and federal public assistance documentation, or power of attorney.
- c. All other additions to the family shall be considered only on a case-by case basis by the Director overseeing MDHA's Applicant and Leasing Center (ALC) or designee and must be documented at the time such changes occur. Additions may be made for humanitarian reasons, including reasonable accommodation for family member.

D. Opening and Closing of the Waiting List

1. Timing

- a. In compliance with the Decree, the Project-based and Tenant-based waiting Lists were re-opened in the year 2001 and an open registration period was held for accepting applications when it was determined that the number of applicants remaining on the waiting list was less than one (1) year's turnover of available assistance. All applicants seeking to apply for any one program were automatically placed on both the Tenant-based and Project-based waiting lists at the time of application, regardless of whether the applicant intended to apply for each program. The position of each applicant on the Tenant-based and Project-based Waiting Lists was determined by a neutral lottery system. A lottery was conducted for the Tenant-based Waiting List and another lottery was conducted for the Project-based Waiting List.
- b. Thereafter, the Decree requires that the waiting lists shall be dissolved approximately every three (3) years. Re-application is necessary during the open registration period in order to be added to the waiting list; the applicant's position on the waiting list shall be determined by a neutral lottery system.
- c. The Decree further permits that MDHA may re-open the Project-based Waiting List within the three (3) year period if there are insufficient applicants for a particular bedroom size. The Project-based Waiting List thus established will only remain in effect until the next dissolution of both Project-based and Tenant -based Waiting Lists and shall not affect the timing of such dissolution. Applicants who are placed on the Project-based Waiting List because of this provision shall not be placed on the Tenant-based Waiting List and shall be thus informed. Such applicants will be informed that their placement on the Project-based Waiting List is temporary until such time as the Project-based and Tenant-based Waiting Lists are reopened.
- d. The opening and closing of registration periods will be advertised in the media, as described in Section A of this Chapter, for the purpose of reaching all segments of the community and with appropriate advance notice.

2. Open Registration at Designated Locations

- a. Persons interested in applying for the programs offered by MDHA may do so during open registration periods described herein.
- b. Applications can be obtained at designated locations which will include several locations throughout Miami-Dade County to enable access to all eligible applicants. The designated locations will be accessible to persons with disabilities.

3. Submission of Applications by Mail

- a. Applications will be accepted by mail at a post office box number rented for that specific purpose. Applications will be accepted if they are received at the published Post Office Box and only if they are post marked by the closing date of the registration period. In the event that MDHA decides to accept applications in person at designated locations, the requirement to submit applications by mail can be so modified. Irrespective of how applications are accepted, MDHA will make reasonable accommodations for applicants with disabilities. The waiting list registration period shall remain open for a specified number of days compliant with the Decree. Currently fourteen (14) consecutive calendar days has been MDHA's practice.
- b. All applicants will be notified that their application was received. If an applicant is determined ineligible to be placed on the waiting list, the applicant will be notified by mail.

E. Processing Applications for Admission

MDHA will accept and process applications in accordance with applicable USHUD regulations. MDHA will assume that the facts certified by the applicant in the preliminary application are correct, although all those facts will be verified later in the application process.

1. All applicants are responsible for updating MDHA regarding address changes. If an applicant does not respond to notices of scheduled appointments or MDHA correspondence, even if no correspondence was received by the applicant because of a change in address, the applicant's name will be removed from the waiting list. If removed from the waiting list, applicants will have a right to request an informal review in accordance with Chapter IX of this policy.
2. Information provided by the applicant may not be verified upon the acceptance of an application. Applicants must certify the information they give is correct and will be informed of their obligation to verify and document all information before they are accepted into any program.
3. Applications are nontransferable except under the following conditions:
 - a. If the head of household passes away, the remaining adult family member listed on the last renewed application will automatically become the head of household applicant. In circumstances where there is more than one (1) surviving adult family member, the family shall determine which surviving family member should

be head of household. MDHA shall not make the determination nor create more than one (1) application.

- b. If the head of household passes away and the remaining family members are minors, the person granted legal custody of such children is entitled to the original date of application.
 - c. If a family divides, MDHA will consider the following circumstances in determining which family member shall assume the application:
 - The desires of the family;
 - The interest of minor children, or disabled or elderly family members;
 - Any instance of actual or threatened physical violence against a family member by another family member;
 - Which family members were part of the original application for assistance; and
 - If a court determines property disposition between the family members, MDHA will uphold the court's determination.
4. MDHA's application for public housing admission shall request and include, but may not be limited to, the following information for each application: the date of receipt; family composition and income, applicant's race and ethnicity; disability and immigration status of each family member, and the unit size(s) being requested.

F. The Applicant Selection System

The factors that may affect applicant selection are described below:

1. Need for Uniform Federal Accessibility Standards Units

- a. Transfers of residents with disabilities and placement of applicants with disabilities requiring Uniform Federal Accessibility Standards (UFAS) - Accessible Units, or units with accessible features (as defined in Appendix I of this policy), will be centrally coordinated through MDHA's Section 504/ADA Coordinator's Office with the assistance of MDHA's Applicant and Leasing Center;
- b. When an accessible unit becomes available, the unit will first be offered to a current resident with disabilities in the same development who requires the accessibility features of the vacant, accessible unit and occupying a unit not having those features;
- c. If there is no current resident in the same development who requires the accessibility features of the vacant, accessible unit, then the vacant, accessible unit will be offered to a resident with disabilities residing in another development who requires the accessibility features of the vacant, accessible unit;
- d. If there is no current resident who requires the accessibility features of the vacant, accessible unit, then the vacant, accessible unit will be offered to an eligible, qualified applicant with disabilities on the waiting list who can benefit from the accessible features of the available, accessible unit;

- e. If there is not an eligible, qualified resident or applicant with disabilities on the waiting list who wishes to reside in the available, accessible unit, then it will be offered to an applicant on the waiting list who does not need the accessible features of the unit. See 24 Code of Federal of Regulation (C.F.R) § 8.27. MDHA will require the applicant to execute the revised MDHA *Conventional Public Housing Dwelling Lease* that requires the resident to relocate to a vacant, non-accessible unit within fifteen (15) days of notice by MDHA that there is an eligible applicant or existing resident with disabilities who requires the accessibility features of the unit.

2. Income Targeting

MDHA will comply with applicable USHUD income targeting requirements indicated below or as may be amended by USHUD:

a. Public Housing developments:

- Families with incomes between 0% and 30% of area median income (extremely low income): This group must constitute at least 40% of all new admissions from the waiting list in any year.
- Families with incomes between 31% and 80% of area median income: The remaining Public Housing new admissions (no more than 60%) can be up to the low-income level (up to 80% of the area median income).
- Only where necessary, MDHA may skip applicants on the waiting list to attain the annual extremely low income targeting requirement of 40%.

b. Section 8 New Construction developments:

- At least 40% of newly admitted households to Section 8 New Construction must be extremely low income (equal to or below 30% of the area median income);
- The remaining new admissions (no more than 60%) can be low-income (up to 80% of the area median income) or very low-income level (up to 50% of the area median income), depending on the Housing Assistance Payment contract date.
- Only where necessary, MDHA may skip applicants on the waiting list to attain the annual extremely low income targeting requirement of 40%.

3. Transfers

MDHA will also offer units to existing residents on the transfer list. Some transfers are processed before new admissions, as detailed in Chapter V of this policy. Transfers do not count toward the 40% income targeting requirement.

4. Designated Housing

- a. The priority of admission system will be used to match the characteristics of the family to the type of unit available, including developments with HUD-approved designated populations. The ability to provide preferences for some family types will depend on unit size availability and whether the developments have HUD approved Designated Plans.

- b. Projects designated for the elderly: Elderly families will receive a priority for admission to units or buildings covered by a USHUD-approved Designation Plan. When there are insufficient elderly families, near-elderly families (as defined in Appendix I of this policy) will receive a priority for this type of unit.
 - c. Projects designated for disabled families: Disabled families will receive a priority for admission to units or buildings covered by a USHUD-approved Designation Plan. Currently, there are no Designation Plans.
 - d. Mixed Population Projects: A mixed population project is a property, formerly known as an "elderly project", that was reserved for elderly and disabled families at its inception, or for which MDHA obtained HUD approval to designate the property for elderly and disabled families. Dwelling units with special accessibility features for handicapped persons will be offered first to families with persons that require the accessibility features of such units.
5. Preferences

a. Federal preferences

The Quality Housing and Work Responsibility Act of 1998 no longer requires MDHA to consider federal preferences in its selection and admission process.

b. Local preference: Assistant Living Facilities.

- (a). How Transferees and applicants qualify for an Assisted Living Facility (ALF). A resident, transferee or applicant qualifies for an ALF preference on the basis if all of the following apply:
 - (i) The transferee or applicant is a single person who is at least sixty-two (62) years of age or older, or two persons who are at least 62 years old living together;
 - (ii) Do not receive more than the specified ALF income limit per month, nor have more than the maximum funds allowed in a bank account (each individual) for ALFs. The income limit and maximum funds allowed might change annually
 - (iii) The transferee or applicant is able to perform daily living activities without supervision or assistance;
 - (iv) The transferee or applicant is at risk of being prematurely placed in a nursing home;
 - (v) The transferee or applicant does not require twenty-four (24) hour nursing supervision;
 - (vi) The transferee or applicant is free from communicable disease and are nonviolent; and
 - (vii) The transferee or applicant is not bedridden, and does not require licensed professional, mental health treatment. (See 400.441 F.S; 58A-5.0181 Adm. Code)
- (b). Notwithstanding (a)(iv) the term "communicable disease" does not include Acquired Immune Deficiency Syndrome (AIDS), human immunodeficiency virus or any other communicable diseases, which are considered a disability. Persons with said disabilities are afforded

protection from discrimination under State and Federal Anti-discrimination Laws.

- (c). Ranking preference. MDHA uses a local ALF preference where it can be documented that the transferee or applicant has met the criteria set forth above. MDHA will house qualified transferees first from the transfer list and then, if such transfer list is exhausted, then MDHA will house qualified applicants from the waiting list. When there are insufficient qualified transferees or applicants, MDHA elderly persons ages sixty two (62) or older will receive priority for this type of unit. Transferees or applicants in the latter category shall be required to execute a lease permitting MDHA to transfer said transferee or applicant in the event an ALF eligible transferee or applicant requires the unit. MDHA shall be responsible for the moving costs of the transferee or applicant who is required to relocate.
- (d). MDHA will not hold units vacant for transferees or applicants with a preference, nor will it relax eligibility or screening criteria to admit otherwise unqualified applicants with a preference.

6. Deconcentration of Income

- a. MDHA performs an annual income analysis of its covered public housing developments as part of the PHA Plan, to determine those covered developments falling outside the Established Income Range (EIR). The EIR is between 85 to 115% of the average family income of MDHA covered developments, or 30% of the Area Median Income, whichever is greater.
- b. MDHA's policy includes capital improvements toward developments with average income below the EIR to encourage applicant families with income above the EIR to accept units in those developments.
- c. Currently, the selection of applicants is not affected by the deconcentration of income requirement, as the income profile of the MDHA's developments falling below or above the EIR can be justified because of the Decree, family self-sufficiency program and strategies, and/or size of the development.

7. Non-Waiting List Admissions

- a. Displacements Due to Governmental Action (see definition in Appendix I of this policy)
- b. MDHA may admit persons not on the waiting list because they have been displaced due to governmental action upon approval of MDHA Director or designee. Families displaced because of governmental action must be referred and verified by the Relocation Office of the Miami-Dade County Office of Community and Economic Development. The referral for assistance must be made within six months of the displacement in order for such families to qualify for housing assistance. MDHA shall, at its discretion, determine the availability of units for displaced persons. Written referrals may also be accepted from USHUD, appropriate federal, state and local law enforcement agencies, by the State Attorney's Office, or by the courts.

G. Interviews and Verification Process

1. As applicants approach the top of the waiting list, they will be contacted by mail and scheduled for an eligibility interview to complete the applicant file. Applicants who fail to attend the scheduled interview, or who cannot be contacted to schedule an interview, will have their applications withdrawn, except under reasonable accommodations provisions for persons with disabilities as described in MDHA's Reasonable Accommodation Policy and Procedures document.
2. The following items will be verified to determine qualification for admission to MDHA:
 - Family composition and type (Elderly/Disabled/near elderly /non-elderly);
 - Annual Income;
 - Assets and Asset Income;
 - Deductions from Income;
 - Preferences;
 - Social security numbers of all family members;
 - Applicant Screening Information; and
 - Citizenship or eligible immigration status.
3. Verification of eligible immigration status shall be carried out pursuant to 24 CFR § 5.5.
4. Applicants reporting zero income will be asked to complete a family expense form to document how much they spend on: food, transportation, health care, child care, debts, household items, etc. and what the source of income is for these expenses.

H. Screening Applicants for Admission

1. All applicants shall be screened in accordance with HUD's regulations and with sound management practices. MDHA will screen applicants to demonstrate the applicant's ability to comply with essential provisions of the lease as summarized below:
 - to pay rent and other charges (e.g. utility bills) as required by the lease in a timely manner;
 - to care for and avoid damaging the unit and common areas;
 - to use facilities and equipment in a reasonable way;
 - to create no health, or safety hazards, and to report maintenance needs;
 - not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
 - not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
 - to comply with necessary and reasonable rules and program requirements of USHUD and MDHA.
2. Eligible applicants meeting preliminary criminal and sex offender background check requirements as described in Section J of this Chapter will be mailed an appointment letter for an eligibility interview, as referenced in Section G.1 of this Chapter. The letter includes a list of all the documents required by MDHA at the interview and the Personal Declaration form.

3. Eligibility Interview

- a. To the greatest extent possible, eligibility interviews are conducted in private. Reasonable accommodations will be provided for persons with disabilities who may require special services.
- b. Original documents such as birth certificates, social security cards, pay stubs, and receipts will be reviewed, photocopied and included in the applicant's file.
- c. During the applicant's formal interview, the eligibility interviewer will compare new information received with past information stated on the application and query the applicant regarding any discrepancies and/or require additional documentation.
- d. Any additional information or documentation specifically requested of the applicant at the eligibility interview must be provided within one week of the interview date unless an extension is granted.
- e. The applicant family must complete all applicable information spaces on the Personal Declaration form. Misrepresentation of income, family composition or any other information affecting eligibility and selection criteria will result in the family being declared ineligible. In the event the misrepresentation, which may constitute fraud, is discovered after admission, the family may be subsequently evicted, even if the family meets current eligibility requirements at the time.
- f. After MDHA has reviewed all information with the applicant, all adult family members (see definition on Appendix I of this policy) at the time of the eligibility interview, are required to sign the Personal Declaration form and other necessary forms such as Authorizations for Release of Information.

4. Personal Declaration Form

The Personal Declaration is a personal statement of information required to evaluate the eligibility for selection of the applicant. Information required on the Personal Declaration form relate to the following:

- Household composition
- Local preferences (if applicable)
- Emergency contacts
- Previous landlord references
- Background references
- Care of unit
- Family income
- Family assets
- Child-care expenses
- Disability assistance expenses, and
- Medical expenses

5. Verifications

- a. Up-front Income Verification (UIV) and written verification from third parties are the most desirable forms of verification of the information provided on the

Personal Declaration form. Every effort as is practical will be made to obtain third party verifications when the UIV is not available or when there is discrepancy between the UIV and the information provided. .

- b. Verification via telephone will be used when written verification is not readily available. Documentation shall be placed in the applicant or resident file and on computer system notes and shall indicate who provided the information and when, as well as the MDHA staff person who obtained the information. This temporary oral verification shall be supported with the appropriate written documentation within fourteen (14) days of receiving the oral verification.
- c. When no other form of verification is available, an applicant or resident's affidavit, or self-declaration, may be accepted.
- d. All applicants or residents shall allow MDHA to conduct a home visit inspection of their current living arrangements and to perform criminal and sex offender background checks on applicants and family members. Failure to comply shall result in removal from the waiting list, withdrawal of an offer, or termination of assistance.

I. Ability to Comply with Lease Requirements

1. Each applicant's ability and willingness to comply with the essential lease requirements will be verified and documented. Applicant screening shall assess the conduct of the applicant and other family members listed on the application, in present and prior housing. Applicants must be able to demonstrate the ability to comply with the terms of MDHA's lease, either alone or with assistance from others.

Any costs incurred to complete the application process and screening will be borne by MDHA.

2. The history of applicants' conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:
 - a. Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare;
 - b. Adversely affect the physical environment or financial stability of the project;
 - c. Violate the terms and conditions of the lease.
3. MDHA will conduct a detailed interview of all applicants using an interview checklist as a part of the screening procedures. The form will ask questions based on the essential elements of tenancy. Responses will be subject to third party verification.
4. Payment of funds owed to MDHA or any other housing authority is part of the screening evaluation. MDHA will reject an applicant for unpaid balances owed to MDHA by the applicant for any program that MDHA operates, or for money paid to an owner by MDHA, until the unpaid balance is paid in full, or a repayment agreement for funds owed to MDHA is executed. Any applicant, including mobility pool members, who previously lived in public housing or an assisted unit, and vacated leaving an unpaid balance, will not be offered assistance until the

outstanding balance is either paid in full or a repayment agreement effectuated or if the debt has been expunged by operation of law.

5. MDHA's examination of relevant information respecting past and current habits or practices will include, but is not limited to, an assessment of the applicant and each family members':
 - a. Past performance in meeting financial obligations, especially rent and utility bills.
 - b. Record of disturbance of neighbors (sufficient to warrant a police call), destruction of property, or living or housekeeping habits that may adversely affect the health, safety, or welfare of other tenants or neighbors.
 - c. History of criminal activity on the part of any applicant family member involving crimes of physical violence to persons or property, or other criminal acts including drug-related criminal activity that would adversely affect the health, safety, or welfare of other residents or staff or cause damage to the unit or development.
 - d. MDHA may, if a law or regulation requires that the PHA prohibit admission for a prescribed period of time because of a disqualifying behavior or event, choose to continue that prohibition for a longer period of time.
 - e. A record of eviction from housing or involuntary termination from residential programs (taking into account date and circumstances).
 - f. An applicant's ability and willingness to comply with the terms of MDHA's lease, including but not limited to the community service requirement.
6. An applicant's intentional misrepresentation of information related to eligibility, preference for admission, housing history, allowances, family composition or rent will result in rejection. Unintentional mistakes that do not confer any advantage to the applicant will not be considered misrepresentations.

J. Denial of Assistance

As stipulated in Section B.2 of this Chapter, MDHA will complete criminal background and sex offender checks on all applicants and other family members for whom criminal records are available, in accordance with the One Strike rule. MDHA is required to deny assistance to applicants in the following instances:

1. Eviction or Termination from Federally Assisted Housing. MDHA shall deny assistance if any household member has been evicted, or is in the process of being evicted, from federally assisted housing, or if a public housing agency (PHA) has ever terminated assistance, as follows:
 - a. Five (5) years from the date of eviction or termination, if evicted or terminated for drug-related criminal activity;
 - b. As described in item 2 below –Violent Criminal Activity, if evicted or terminated for violent criminal activity.

- c. Three (3) years from the date of eviction or termination, if evicted or terminated for reasons other than drug-related or violent criminal activity, e.g., non-payment of rent.
- 2. Violent Criminal Activity. MDHA shall deny assistance for violent criminal activity (see definition in Appendix I of this policy) as follows:
 - a. Ten (10) years from date of arrest for first or second degree murder;
 - b. Five (5) years from date of arrest for manslaughter or for non-murder violent criminal activity.
- 3. Drug-related Criminal Activity. MDHA shall deny assistance for drug-related criminal activity (see definition in Appendix I of this Policy) of a household as follows:
 - a. If any household member is currently engaging (within a year from date of eligibility) in illegal use of a drug;
 - b. Five (5) years from date of arrest if MDHA has reasonable cause to believe, upon verification of objective evidence, that a household member's illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.
- 4. Other Criminal and Non-criminal Activities. MDHA shall deny assistance to the household as specified in each of the following instances:
 - a. Permanently if any household member has ever been convicted of manufacturing or selling methamphetamine on the premises of any federally assisted housing;
 - b. Permanently if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program;
 - c. Ten (10) years if an applicant committed fraud, bribery, or any other or criminal act in connection with any federal housing agency (provided payment in full of any balance due);
 - d. Three (3) years for a record of two (2) or more incidents of alcohol abuse, if any member of the household's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - e. Three (3) years for a record of two (2) or more incidents of other criminal activities (non-violent) which may threaten the health, safety or right to peaceful enjoyment of the premises by other residents; and
 - f. Three (3) years for a record of two (2) or more occasions of failing to meet financial obligations, especially rent and utilities.
- 5. MDHA may deny assistance for drug or criminal activity based on the preponderance of evidence, regardless of whether there is an arrest or conviction. Notwithstanding paragraphs 4 (d) and 5 MDHA will not immediately deny assistance if it is determined that the substance abuse is related to a disability.

6. Before MDHA rejects an applicant on the basis of criminal history, MDHA must notify the household of the proposed rejection and provide the household member with a copy of the criminal record upon request either before or at the informal review, and an opportunity to dispute the accuracy and relevance of that record.

K. Applicants Claiming Mitigating Circumstances

1. If negative information is received about an applicant, MDHA shall consider the time, nature, and extent of the applicant's conduct and factors that might indicate a reasonable probability of favorable future conduct. To be considered, mitigating circumstances must be verifiable.
2. Mitigating circumstances are facts relating to the applicant's negative rental history or behavior, that, when verified, indicate: (1) the reason for the unsuitable rental history and/or behavior; and (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and applicant's prospect for lease compliance is an acceptable one, justifying admission. Mitigating circumstances would overcome or outweigh information already gathered in the screening process.
3. If the applicant asserts that mitigating circumstances relate to a change in disability, medical condition or treatment, MDHA shall refer such information to MDHA's 504/ADA Coordinator to evaluate the evidence and verify the mitigating circumstance. MDHA shall also have the right to request further information to verify the mitigating circumstance. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation (see MDHA's Reasonable Accommodation Policy and Procedures document under Appendix IV of this policy), which will be used by MDHA as the source document to process reasonable accommodation requests for persons with disabilities.
4. In its decision to deny assistance, MDHA may consider the seriousness of the case, and the effect of denial of assistance on other family members who were not involved in the action or failure to act. MDHA, if it admits such a family to the program, may impose as a condition of assistance, the requirement that family members who participated in or were culpable for the action or failure to act will not reside in the assisted unit, upon approval of MDHA Director or designee.
5. Applicants with an arrest record for drug-related or criminal activities, but who have not been adjudicated by a court of law at the time of eligibility determination, will be denied admission as indicated in Section J of this Chapter. However, the household may be reinstated to the waiting list in mitigating circumstances and upon approval of MDHA Director or designee.
6. Examples of mitigating circumstances may include:
 - a. Evidence of successful rehabilitation. The household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by MDHA.
 - b. Circumstances leading to the eviction or criminal activity no longer exist (for example, the criminal household member has died or is imprisoned).

- c. Evidence of the applicant family's participation in social service or other appropriate counseling service; or
 - d. Evidence of successful and sustained modification of previous disqualifying behavior.
7. Consideration of mitigating circumstances does not guarantee that applicant will qualify for admission. MDHA will consider such circumstances in light of:
- a. the applicant's ability to provide documentation to verify the mitigating circumstances and prospects for improved future behavior;
 - b. the applicant's overall performance with respect to all the screening requirements; and
 - c. the nature and seriousness of the criminal activity, especially drug related and criminal activity that appears in the applicant's record.

L. Qualified and Unqualified Applicants

1. Verified information will be analyzed and a determination made with respect to:
 - Eligibility of the applicant as a family,
 - Eligibility of the applicant with respect to income limits for admission;
 - Eligibility of the applicant with respect to citizenship or eligible immigration status;
 - Unit size required for and selected by the family; and
 - Qualification of the applicant with respect to the selection criteria
2. Qualified families will be notified by MDHA of the approximate date of admission insofar as that date can be determined; however the date stated by MDHA is an estimate and does not guarantee that applicants can expect to be housed by that date.
3. Applicants who do not respond within thirty (30) days to a notice of ineligibility to receive program benefits, or a notice to come in for processing, or do not cooperate with MDHA in providing all required information, will be notified in writing that his/her name will be removed from the Project-based Waiting List unless he/she requests an informal review by contacting MDHA within thirty (30) days of the notice.
4. The applicant shall be provided an opportunity for an informal review if requested within thirty (30) days of the notice. An applicant or mobility pool member may within one (1) year of being removed from the waiting list for not responding to notices calling him/her in for processing, request an administrative hearing seeking reinstatement to his/her original place on the waiting list. Mobility pool members removed from the program waiting list because of ineligibility, however, shall not be removed from the mobility pool list for the purpose of receiving offers from other programs for which mobility pool members may be eligible, including homeownership opportunities.
5. Eligible applicants who are known to have a disability, but fail to meet the Applicant Selection Criteria in Chapter II, Sections G, H, I, J, K & L, will be offered an

opportunity to submit documentation in support of their claims that mitigating circumstances related to disabilities or reasonable accommodations will make it possible for them to be housed in accordance with the screening procedures. MDHA's ADA/504 Coordinator will review such claims.

M. Occupancy Guidelines

Units shall be occupied by families of the appropriate size. This policy maintains the usefulness of the units, while preserving them from excessive wear and tear and under-utilization.

1. At the initial certification or during a change of dwelling, MDHA shall, to the greatest extent possible, and within the occupancy standards, allow the family the flexibility of bedroom size to best accommodate family members based on age and gender. For occupancy standards an adult is a person eighteen (18) years or older.
2. Two (2) persons per bedroom will be the standard for the smallest unit a family may be offered.

Minimum and Maximum-Number-of-Persons-Per Unit Standard

Number of Bedrooms	Minimum Persons per Unit	Maximum Persons per Unit
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10
6	6	12

3. Persons of different generations or age difference greater than ten (10) years (for persons of the same gender), and persons of opposite gender (other than adults who have a spousal relationship) shall be allocated separate bedrooms. A single person family shall be allocated a zero (0) or one (1) bedroom unit and spousal partners a one (1) bedroom sized unit.
4. The following principles govern the size of unit for which a family will qualify. Generally, two (2) people are expected to share each bedroom, except that units will be so assigned that:
 - a. It will not be necessary for persons of different generations or opposite sex, other than those in spousal relationship, to occupy the same bedroom, although they may do so at the request of the family.
 - b. Exceptions to the largest permissible unit size may be made in case of reasonable accommodations for a person with disabilities.
 - c. Two (2) children of the opposite sex will not be required to share a bedroom, although they may do so upon written request from the family. Such situations may occur for families needing larger bedroom sizes (4, 5, 6 bedrooms) for which there are limited availability.

- d. A family that consists of a pregnant woman shall only be allocated a maximum of a two (2) bedroom unit.
 - e. MDHA will count a child in the occupancy standard who is temporarily away from the home because the child has been placed in foster care, kinship care, or is away at school.
 - f. A single head of household parent shall not be required to share a bedroom with his/her child, although they may do so at the request of the family.
 - g. A live-in aide may be assigned a bedroom. Single elderly or disabled residents with live-in aides will be assigned one (1) or two (2) bedroom units.
 - h. Individual housing units with very small or very large bedrooms or other specific situations that inhibit or encourage lower or higher levels of occupancy may be permitted to establish lower or higher occupancy levels so long as the occupancy levels shall not discriminate on the basis of familial status.
5. The largest unit size that a family may be offered would provide no more than one (1) bedroom per family member, taking into account family size and composition.
 6. If a family opts for a smaller unit size than would normally be assigned under the largest unit size standard (because, for example, the waiting list is moving faster), the family will be required to sign a statement agreeing to occupy the unit assigned at their request until their family size or circumstances change.
 7. When a family is actually offered a unit, if they no longer qualify for the unit size they were originally assigned, they will be reassigned to the appropriate bedroom size, retaining their original ranking. This may mean that they may have to wait longer for a unit offer.

N. Record Maintenance

MDHA will keep the resident's application for admission in the resident's file. All occupancy information collected during the ten-year term of the Decree shall be retained for at least five (5) years including data on current applicants and residents, and applicants who were never admitted. MDHA's ALC will maintain records of the circumstances of each dwelling unit offered to an applicant, including the location of the unit, the offer date, and whether the offer was rejected or accepted. This information may be maintained electronically.

III. Tenant Selection and Assignment Plan

This ACOP incorporates and implements the provisions of the Adker Decree, as previously referenced in Chapter 1(C) of this ACOP, on Applicant Processing, Tenant Selection, Placement and waiting lists management. Nothing contained herein is intended to change, amend or replace any provision of the Adker Decree. Wherever conflicts may occur between both documents, the provisions of the Adker Decree shall govern.

A. Organizing the Project-based Waiting List

It is MDHA's policy that each applicant shall be assigned his/her appropriate place on the Project-based Waiting List in sequence based upon:

1. Type and size of unit needed and selected by the family (e.g. general occupancy building, accessible or non-accessible unit, number of bedrooms);
2. A neutral lottery system that determines the applicant's ranking on the project-based waiting list.

B. Making Housing Offers to Eligible Applicants

1. To assure equal opportunity and nondiscrimination on grounds of race, color, sex, religion, age, national origin, disability, ancestry, marital or familial status and sex orientation, the following procedures will be used to make unit offers.
2. Until the expiration of the Decree, applicants on the Project-based, Waiting List shall receive desegregative offers (see definition in Appendix I of this policy), that is, offers exclusively to applicants whose race does not predominate at the development, where applicable, for vacancies in the following:

- Public Housing, including Assisted Living Facilities, and County-owned Section 8 New Construction developments;
- Section 8 Moderate Rehabilitation developments.

Subject to the Decree's desegregative offer requirement and MDHA's newly approved plan to fill vacancies, the first qualified applicant in sequence on the waiting list is made unit offers of an appropriate size and type. Where possible, the offered units will be located in the central, northern and southern regions of Miami-Dade County.

- a. Up to twenty (20) eligible applicants are offered fourteen (14) units (numbers may be altered depending on availability of units and other factors) after unit is ready for occupancy..
- b. At least five (5) of the units shall be desegregative offers for at least five (5) of the twenty (20) applicants to whom the offer is made. Each applicant submits to MDHA a list of ten (10) units they will accept within five (5) business days.
- c. The unit will be given to the first eligible applicant who responds with an acceptance, based on the date and time the acceptance response is received; however, preference is given to desegregative acceptances. If the applicant

does not accept one (1) of the offers or does not respond to the offers within five (5) business days, he/she will be removed from the waiting list.

- d. If an applicant accepts one (1) of the units offered during the offer period, but the unit was assigned to another applicant based on the date and time of the acceptance response, he or she will receive additional offers, regardless of whether they are desegregative offers.
 - e. Subject to the process described above, any applicant who receives an offer shall be removed from the waiting list for the program for which he/she received that offer, except that an applicant on the Project-based Waiting List who demonstrates good cause (as defined in Section D.1 of this Chapter) for rejecting an offer shall remain on the list. An applicant shall not be removed from the waiting list for one program on the basis of the applicant's acceptance of an offer in another program. Applicants who are removed from the project-based waiting list because they refuse unit offers without good cause may not reapply until the next open registration period.
 - f. Offers of vacant units may be made to applicants that state a preference for a development in which their race does not predominate in advance of applicants higher up on the Project-based Waiting List and who have not stated a preference for a particular desegregative development. Applicants may not modify their preferences more than once a year.
 - g. An applicant who has accepted a tenant-based subsidy and subsequently receives an offer for project-based assistance during the first year of his/her lease, or an applicant who has accepted project-based assistance and subsequently receives an offer for a tenant-based subsidy during the first year of his or her lease, must comply with the term of his/her lease or arrange a mutually agreed upon termination of the lease with the owner, provided that during the period in which the applicant is fulfilling the term of the existing lease, the applicant shall retain his or her position on the waiting list for the other type of housing program.
 - h. The desegregative offer process as described herein may be amended with the agreement of all parties to the Decree.
- 3. In the selection of a family for a UFAS unit or a unit with accessible features, MDHA will give preference to current residents and then to applicant families that include a person with disabilities who can benefit from the unit features.
 - 4. If more than one (1) unit of the appropriate size and type is available, the first unit to be offered will be the unit that is or will be ready for move-in first. "Ready for move-in" means the unit has no Housing Quality Standard deficiencies and is broom clean. If two units are ready for move-in on the same day, the first unit to be offered will be the unit that became vacant first.

C. Removing Applicant Names from the Project-based Waiting List

- 1. To ensure vacant units are filled in a timely manner, MDHA needs a waiting list that is accurate. While each applicant is responsible for keeping MDHA apprised of changes in address, phone number, income or other circumstances, no applicant

shall be removed from the waiting list except when one of the following situations occurs:

- a. The applicant receives and accepts an offer of housing;
 - b. The applicant requests that his/her name be removed from the waiting list;
 - c. The applicant is rejected, either because he/she is ineligible for assisted housing at the time of certification, or because he/she fails to meet the applicant selection criteria;
 - d. The application is withdrawn because MDHA attempted to contact the applicant and was unable to do so, or the applicant did not respond to the offer, or the applicant does not accept an offer, except for good cause, as defined in Section D.1 below.
2. Persons who fail to respond to MDHA's attempts to contact them because of verified situations related to a disability shall be entitled to reasonable accommodation. In such circumstances, MDHA shall reinstate these individuals to their former waiting list positions.
 3. Families whose applications are withdrawn or rejected may reapply for housing when the waiting list is open.
 4. All rejected applicants are entitled to a complete explanation of the reason for their rejection and may request an informal review, at which time they may present reasons why they should be reinstated to the waiting list (See Chapter IX - Grievance Policy, of this policy).

D. Good Cause for Applicant Refusal of Unit Offer

If an applicant does not accept the unit and presents clear evidence ("good cause") that acceptance of the offer of a suitable vacancy will result in undue hardship not related to considerations of race, color, sex, religion, national origin, ancestry, marital or familial status or sexual orientation, the applicant will not be removed from the list.

1. Examples of "good cause" for refusal of an offer of housing are:
 - a. The unit is not ready for move-in at the time of the offer of housing. "Ready for move-in" means the unit has no Housing Quality Standard (HQS) deficiencies and is broom clean. If an applicant refuses a unit because it is not ready for move-in, the applicant will be offered the next unit that is ready for move-in
 - b. Inaccessibility to source of employment, education, or job training, children's day care, or educational program for children with disabilities, so that accepting the unit offer would require the adult household member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities
 - c. The family demonstrates that accepting the offer will place a family member's life, health or safety in jeopardy. The family must provide specific and compelling documentation such as restraining orders, other court orders, or risk assessments from a law enforcement agency. Reasons offered must be specific

to the family. Refusals due to location alone do not qualify for this good cause exemption.

- d. A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (each as listed on final application) or live-in aide necessary to the care of the principal household member
 - e. The unit is inappropriate for the applicant's disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to the fifteen (15) days notice to move.
 - f. An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing
2. If good cause is verified, the refusal of the offer shall not require the applicant to be removed from the waiting list or otherwise affect the family's position on the waiting list. The applicant will receive another housing offer upon unit availability.
 3. MDHA will maintain a record of units offered, including location, date, and circumstances of each offer, and each acceptance or refusal, including the reason for the refusal.

E. Administering the Applicant Waiting List

Applications for admission will be processed centrally. Initial intake, waiting list management, screening, and assignment of housing (including transfers) will be made from ALC. Offers may be made in person, or in writing.

F. Assisted Living Facilities

MDHA administers Assisted Living Facilities (ALFs) of zero (0) and one (1) bedroom units which combine the concepts of public housing and non-institutional facilities that provide programs and services for low-income elderly and frail persons. ALFs are regulated by Florida Statutes Chapter 400, Part III and Administrative Law 58A-5. Admission and continued occupancy of MDHA's ALFs are subject to the following requirements:

1. Applicants

- a. Project-based Waiting List applicants interested in residing in an ALF must qualify in accordance to Chapter II, Section B of this policy and the ALF Admission Criteria detailed in item # 2 below.
- b. ALF interested and qualified applicants will be selected from the Project-based Waiting List for zero (0) or one (1) bedroom units, in the ranking order obtained by the lottery system of such list. The Waiting List Management provisions contained in Chapter II, Section C of this policy applies to ALFs' applicants.
- c. Unit offers to ALFs' interested and qualified applicants are subject to the Decree's requirement that MDHA make desegregative offers, where applicable.

2. ALF Admission Criteria An ALF applicant must be a single person who is at least sixty two (62) years old, or two (2) persons, both of whom are at least sixty two (62) years old and living together, and who:
- a. Are Medicaid eligible (each individual). The individuals may receive the additional Optional State Supplement (OSS) income. The OSS check must be endorsed to the facility and the resident will be given a personal allowance on a monthly basis.
 - b. Do not receive more than the specified ALF income limit per month, nor have more than the maximum funds allowed in a bank account (each individual) for ALFs. The income limit and maximum funds allowed might change annually;
 - c. Are able to perform daily living activities without supervision or assistance;
 - d. Are at risk of being prematurely placed in a nursing home;
 - e. Do not require twenty-four (24) hour nursing supervision;
 - f. Are not bedridden, and do not require licensed professional, mental health treatment; and
 - g. Are free from communicable disease (except as indicated below) and are nonviolent.

The term "communicable disease" does not include Acquired Immune Deficiency Syndrome (AIDS), human immunodeficiency virus or any other communicable diseases, which are considered a disability. Persons with said disabilities are afforded protection from discrimination under State Federal, and local anti-discrimination Laws.

3. Transfers to ALFs

Requests of transfers to an ALF of existing interested and qualified residents of Project-based developments are subject to the provisions under Chapter V of this policy and the ALF Admission Criteria detailed in item # 2 above. Residents requesting transfers to an ALF will receive priority over applicants requesting to reside in an ALF.

4. ALFs Local Preference

ALFs' applicants and/or transferees are subject to the ranking preference established in Chapter II, Section F.5(b) of this policy.

IV. Leasing Policies

A. General Leasing Policy

1. All units must be occupied pursuant to the MDHA approved dwelling lease that complies with HUD's regulations.
2. The lease shall be signed by the head of household, spouse, and all other adult members of the household and by the site manager or other authorized representative of MDHA, prior to actual admission.
3. If a resident transfers from one MDHA unit to another, a new lease will be executed for the dwelling into which the family moves.
4. If at any time during the life of the lease agreement, a change in the resident's status results in the need for changing or amending any provision of the lease, either:
 - a. A new lease agreement will be executed, or
 - b. A Notice of Rent Adjustment will be executed, or
 - c. An appropriate rider will be prepared and made a part of the existing lease.
5. All copies of such riders or insertions are to be dated and signed by the resident and by the site manager or other authorized representative of MDHA.
6. Residents must advise MDHA if they will be absent from the unit for more than seven (7) consecutive days. Residents shall notify the site manager in writing, secure the unit, and provide a means for MDHA to contact the resident in an emergency. Failure to advise MDHA of an extended absence is grounds for termination of the lease.

B. Showing Units Prior to Leasing

1. Upon receipt of ALC offer letter, the applicant contacts the site manager to schedule an appointment to view the offered unit.
2. Once the unit is shown and the applicant accepts the unit and all required documentation is received from ALC, the site manager will execute a lease. If the applicant refuses the unit, a signed reason for refusal should be obtained from the applicant by ALC. ALC is responsible for making the "good cause" determination.
3. No lease will have an effective date before the unit is ready for occupancy.

C. Additions to the Household and Visitors

1. Only those persons listed on the most recent certification form and lease shall be permitted to occupy a dwelling unit;

- a. Except for natural births to, or adoptions by, family members, or court awarded custody or other operation of law, any family seeking to add a new member must request approval in writing before the new member moves in.
 - b. When a resident requests approval to add a new person to the lease, MDHA will conduct pre-admission screening of any proposed new adult member to determine whether the MDHA will grant such approval. Minor children for whom juvenile justice records are made available or added through a formal custody award or kinship care arrangement are exempt from the pre-admission screening process, although the resident needs prior approval from MDHA to add children other than those born to, adopted by, or awarded by the court to the family.
 - c. MDHA will consider the request for approval and require documentation that the head of household has authorization to include a minor as part of the household. Court approved custody or guardianship is not the only mechanism for establishing that a head of household has authorization to include a minor. Changes to the family composition may also be allowed for families in which one or more children less than eighteen (18) years of age live with the designee of the parent or legal custodian, with the parent or custodian's written consent. Documentation can include, but is not limited to, court documents, pre-need guardian, school records, other state and federal public assistance documentation, power of attorney, etc.
 - d. All persons listed on the most recent certification form and the lease must use the dwelling unit as their sole residence.
2. Examples of situations where the addition of a family or household member is subject to screening are:
 - a. Resident plans to be married and requests to add the new spouse to the lease;
 - b. Resident desires to add a new family member to the lease, employ a live-in aide, or take in a foster child(ren) over the age for which juvenile justice records are available;
 - c. A unit is occupied by a remaining family member(s) under age eighteen (18), who is not an emancipated minor, and an adult, not a part of the original household, requests permission to take over as the head of the household.
 3. Residents who fail to notify MDHA of additions to the household or who permit persons to join the household without undergoing screening are in violation of the lease. Persons added without MDHA approval will be considered unauthorized occupants and the entire household will be subject to eviction.
 4. Visitors may be permitted in a dwelling unit so long as they have no previous history of unacceptable or negative behavior on MDHA premises that would be a lease violation.
 - a. Visits in excess of a total of fourteen (14) days per year, whether or not consecutive, are not permitted, unless the resident obtains the advance written consent of the Public Housing Director or designee.

- b. Visitors remaining beyond this period shall be considered unauthorized occupants and the head of the household shall be guilty of a breach of the lease.
5. Roomers and lodgers shall not be permitted to move in with any family. Violation of this provision is ground for termination of the lease.
6. Residents will not be given permission to allow a former resident of MDHA who has been evicted to occupy the unit for any period of time. Violation of this requirement is grounds for termination of the lease.
7. Family members over age seventeen (17) or emancipated minors who move from the dwelling unit to establish new households shall be removed from the lease.
 - a. The resident shall report the move-out within thirty (30) calendar days of its occurrence.
 - b. These individuals may not be readmitted to the unit and must apply as new applicant households for placement on the waiting list.
 - c. Medical hardship or other extenuating circumstances shall be considered by MDHA in making determinations under this paragraph.

D. Requirements for Posting Policies, Rules and Regulations

The following documents shall be maintained in the waiting area of every housing development management office, and/or posted on a large bulletin board:

- Admission and Continued Occupancy Policies (ACOP)
- Tenant Selection and Assignment Plan (included in ACOP)
- Directory of all housing developments including names, perimeter streets, number of units by bedroom size, number of units specifically designed for the elderly, addresses of management offices and office hours
- Income limits
- Utility allowances
- Dwelling Lease form
- Community Policies
- Current schedule of routine maintenance and other charges (included in Community Policies)
- Grievance Procedures (included in ACOP and Community Policies)
- Fair Housing poster
- "Equal Opportunity in Employment is the Law" poster
- Resident oriented notices
- Emergency telephone numbers for after hours and weekends
- Reasonable Accommodation Policies and Procedures document
- PHA Plan

V. Transfer Policy

A. General Transfer Policy

1. Transfers will be made without regard to race, color, national origin, sex, religion, marital or familial status, ancestry, disability or sexual orientation.
 - a. Under certain circumstances, residents may be transferred to accommodate a disability. However, every effort shall be made prior to the decision to transfer to accommodate the needs of disabled residents, including but not limited to making necessary modifications to their existing units and providing other forms of reasonable accommodations as detailed in MDHA's Reasonable Accommodation Policy and Procedures (see Appendix IV of this policy). MDHA shall offer these residents the option of remaining in their current unit while MDHA makes accessibility modifications in those circumstances where the unit modifications would not pose a health and safety risk to the current occupant(s); or, waiting to transfer, upon availability, to another unit that is accessible and meets the unit size requirement of the respective resident;
2. Residents will not be transferred to a dwelling unit of equal size, except to alleviate hardship of the resident or other undesirable conditions as determined by the Public Housing Director or designee.
3. Residents will receive one (1) offer of transfer, except another offer may be made for good cause. Refusal of that offer without good cause (refer to Chapter III, Section D of this policy) will result in lease termination for mandatory transfers or the removal of the household from the transfer list.
4. Whenever feasible, transfers will be made within the resident's development or the resident's area.
5. Transfers are not subject to the Decree's desegregative offer requirement.
6. Residents must be in good standing.
7. Tenants may use the MDHA Grievance Procedure (Article IX of this policy) if they are refused the right to transfer or if MDHA is requiring them to transfer and they do not want to do so.

B. Types of Transfers

MDHA may encounter situations in which it is necessary to move residents from one unit to another. MDHA has four (4) types of transfers: 1) Emergency, 2) Serious/Urgent, 3) Occupancy Standards, and 4) Other Resident Initiated Transfers. Except for transfers of residents into Assisted Living Facilities (ALFs), the order in which families are transferred shall be subject to the priority by category set forth below:

1. Emergency Transfers: are mandatory for the residents when MDHA determines that conditions pose an immediate threat to resident life, health or safety. These transfers shall take priority over new admissions. Emergency transfers may be made to:

- a. Permit repair of unit defects hazardous to life, health, or safety;
 - b. Provide reasonable accommodations to persons with disabilities that lessen or eliminate immediate threats to life, health or safety;
 - c. Provide housing options to residents who are victims of hate crimes or extreme harassment.
2. Serious/Urgent Transfers: are mandatory transfers and shall take priority over new admissions. Serious/Urgent Transfers may be made to:
- a. Remove residents who are witnesses to crimes and may face reprisals, or to protect members of the household from attack in a particular property or neighborhood;
 - b. Provide reasonable accommodation to persons with disabilities that lessen or eliminate impediments to program or activity access of a serious (but not life threatening) nature that persons encounter because of their disabilities;
 - c. Permit modernization or demolition of units;
 - d. Permit a family that requires a unit with accessible features to occupy such a unit, or another suitable unit, e.g., ground floor unit, as an accommodation to a resident's disability as described in Section C.4 of this Chapter; or
 - e. Alleviate other conditions of hardship as determined by MDHA.
3. Occupancy Standards Transfers are mandatory transfers to correct overcrowded/under-occupied conditions. Occupancy standard transfers can be:
- a. High Priority Occupancy Standards: If the family size is so small that it includes fewer persons than the number of bedrooms, or so large that the household members over age four (4) would equal more than two (2) persons per bedroom. These transfers will take priority over new admissions.
 - b. Lower Priority Occupancy Standards: If the overcrowded/under occupied condition is not serious as described above, or if a family's size is between the smallest and largest size permissible, for the unit the family may request a transfer. Lower priority transfers shall not take priority over new admissions and are to be made at the discretion of the Public Housing Director or designee.
4. Other Resident Initiated Transfers: Any other unit transfer requested by the resident that is not out of necessity. The resident must present objective evidence ("good cause") that if the transfer is not made, it will result in undue hardship for the resident. These are considered non-mandatory transfers and do not take priority over new admissions. These transfers are to be made at the discretion of the Public Housing Director or designee.
- a. Other Residents Initiated Transfers are transfers requested by the resident for reasons other than the ones described in items 1 through 3 above. However, if a resident requests a transfer that is determined by the site manager to be classified as Emergency, Serious/Urgent, or High Priority Occupancy Standard,

as described above, the transfer request should be considered as such, unless determined to be otherwise by the Regional Manager or the 504/ADA Coordinator.

- b. Other Resident Initiated Transfers shall be approved by the Public Housing Director or designee. Examples of Other Residents Initiated Transfers are:
 - Hardship related to the ability of the resident or family member to retain his/her employment; or
 - To retain particular day care or medical services uniquely suited to the affected individual's needs.
- c. Assisted Living Facility (ALF) Transfers: These are transfers of interested and qualified residents of Project-based developments to an ALF, either recommended by the site manager or requested by the resident. Transfers to ALFs are not mandatory, but shall take priority over new admissions to ALFs. Persons requesting ALF transfers must qualify according to the ALF Admission Criteria stated in Chapter III, Section F and are subject to the ranking preference established in Chapter II, Section F. 5 (b) of this policy.

C. Processing Transfers

1. A centralized transfer waiting list will be administered by ALC. Except for reasonable accommodation transfers, all transfers must be approved by the Public Housing Director or designee before ALC admits them into the transfer waiting list. Transfers that are for providing reasonable accommodation to persons with disabilities, that are recommended for denial by the Regional Manager or designee, must be reviewed and approved by the 504/ADA Coordinator, in accordance with MDHA's Reasonable Accommodation Policies and Procedures document.
2. Except for transfers of interested and qualified tenants into ALFs, transfers will be sorted into their appropriate categories by ALC staff. Transfer offers will be made in the following order of priority:
 - 1st. Emergency transfers
 - 2nd. Serious/Urgent transfers
 - 3rd. High priority occupancy standards
 - 4th. Lower priority transfers. Lower priority occupancy standards and Other Resident Initiated transfers, to be made at the discretion of the Public Housing Director.

Within each category, transfer applications will be sorted by the date the completed file (including any verification needed) is received by ALC from Public Housing.

3. Overcrowded/Under-occupied transfers to correct occupancy standards must be recommended by the site manager at time of re-examination or interim re-determination, and must be approved by the regional manager.
4. Transfers to Uniform Federal Accessibility Standard Units
 - a. Transfers of residents with disabilities and placement of applicants with disabilities requiring UFAS -Accessible Units, or units with accessible features (as defined in Appendix I of this policy), will be centrally coordinated through

MDHA's Section 504/ADA Coordinator's Office with the assistance of MDHA's Applicant and Leasing Center;

- b. When an accessible unit becomes available, the unit will first be offered to a current resident with disabilities in the same development who requires the accessibility features of the vacant, accessible unit and occupying a unit not having those features;
 - c. If there is no current resident in the same development who requires the accessibility features of the vacant, accessible unit, then the vacant, accessible unit will be offered to a resident with disabilities residing in another development who requires the accessibility features of the vacant, accessible unit;
 - d. If there is no current resident who requires the accessibility features of the vacant, accessible unit, then the vacant, accessible unit will be offered to an eligible, qualified applicant with disabilities on the waiting list who can benefit from the accessible features of the available, accessible unit;
 - e. If there is not an eligible, qualified resident or applicant with disabilities on the waiting list who wishes to reside in the available, accessible unit, then it will be offered to an applicant on the waiting list who does not need the accessible features of the unit. See 24 C.F.R. § 8.27. MDHA will require the applicant to execute the revised MDHA *Conventional Public Housing Dwelling Lease* that requires the resident to relocate to a vacant, non-accessible unit within fifteen (15) days of notice by MDHA that there is an eligible applicant or existing resident with disabilities who requires the accessibility features of the unit.
5. When a head of a household, originally housed in a bedroom by him/herself, has or adopts a child, the family will not be approved for a transfer until the child is two (2) years of age. Exceptions: spouse or partner returns to the unit, marriage takes place, or family decides to remain in the unit and the unit is large enough (using the smallest-unit standard) to accommodate the number of persons now in the household.
6. Split-family transfers are not permitted. Separation of households will be processed as follows:
- a. Resident-Initiated Separation of Households: Families that decide to separate because of divorce or inability to live under the same roof must identify the family member(s) who are willing to establish a new household. Such party may submit an application to be placed on the waiting list during open registration periods. The household member(s) who will be leaving the unit must do so within thirty (30) days of notification by MDHA. The remaining family member(s) may also be required to transfer to a smaller unit if the unit becomes under-occupied after one household moves out and there exist families on the waiting list for that size unit. Whenever a family cannot agree on which family member(s) remain in the unit, for example in a divorce case, MDHA will rely on the court decree.
 - b. If upon re-examination MDHA finds that a family composition has grown beyond the maximum bedroom size unit available in MDHA, whether the family was transferred or not to the maximum sized bedroom unit, the family must identify member(s) who are willing to establish a new household. Such party may submit an application for housing assistance during the open registration period. The

household member(s) who are leaving the unit must do so within thirty (30) days of notification by MDHA. The remaining family members may also be required to transfer to a smaller unit if the unit becomes under-occupied after one (1) household moves out and there exist families on the waiting list for that size unit.

- c. MDHA may transfer a family to a larger unit in order to accommodate the addition of family members by birth. However, in order to maximize the use of scarce affordable housing and in consideration of applicants on the waiting list, transfers of families to separate units are not allowed.
7. Residents who wish to initiate a transfer must obtain and complete a Transfer Request form at the management office, sign it and provide documentation supporting the necessity of the transfer.
8. Each household's size and composition is reviewed at annual reexamination to determine whether the household has increased or decreased in size. To comply with the Occupancy Guidelines set forth in Chapter II, Section M, MDHA will place a family living in an inappropriate sized unit, whether under-occupied or overcrowded, on the transfer waiting list for an appropriate unit. The family will then be transferred to a unit with the appropriate number of bedrooms as it becomes available, subject to the requirements stipulated in Section B of this Chapter.
9. MDHA may transfer the resident living in Conventional Public Housing to a Section 8 New Construction unit. Transfer between a public housing unit and a Section 8 New Construction unit must be approved by the MDHA Director. Transfers between the Conventional Public Housing and the Section 8 Housing Choice Voucher program are not permitted.
10. When a resident is allowed to transfer, the resident's name is placed on the transfer waiting list and will be given written notice to this effect.

D. Administrative Requirements

1. All residents approved for transfers must have a current rent account with no outstanding balance and must leave the unit in a satisfactory condition. Requests for exceptions to this requirement based on disability will be considered on a case-by-case basis.
2. A family who has been approved for a transfer will be made one (1) offer of an appropriate size unit. At the time the offer is made if the family rejects the offer, a second offer can be made only for good cause.
3. Once a transfer assignment is made, the resident is required to move within fifteen (15) days of being notified or face eviction proceedings.

E. Good Record Requirement for Transfers

1. In general, and in all cases of all resident-requested transfers, residents will be considered for transfers only if the head of household and any other family members (requests for exceptions to these requirements based on disability will be considered by MDHA's 504/ADA Coordinator on a case-by case basis):

- a. Have not engaged in criminal activity that threatens the health and safety of residents and staff;
 - b. Do not owe back rent or other charges, or evidence a pattern of late payment;
 - c. Meet reasonable housekeeping standards and have no housekeeping lease violations; and
 - d. Can have utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities).
2. Absent a determination of exception, the following policy applies to transfers:
- a. If back rent is owed, the resident will not be transferred until a payment plan is established or, if prior payment plans have failed, the back rent is paid in full.
 - b. A resident with housekeeping standards violations will not be transferred until he/she passes a follow-up housekeeping inspection.
 - c. The resident must be in good standing and in compliance with the Lease and Community Policies.

F. Paying for Transfers

- 1. Costs associated with transfers that are mandated by MDHA (except occupancy standards) and all transfers for reasonable accommodation will be paid by MDHA.
- 2. Residents will bear the cost of transfers to correct occupancy standards. However, where there is a hardship due to health or other factors, the site manager may recommend that families be reimbursed for out-of-pocket expenses for an occupancy standards transfer in an amount not to exceed a reasonable moving allowance established by MDHA. Residents who seek reimbursement must provide proof of their out-of-pocket expenses to MDHA, i.e. receipts. The Public Housing director or designee must approve the expense.

VI. Eligibility for Continued Occupancy, Annual Reexaminations and Remaining Family Members

A. Eligibility for Continued Occupancy

Residents who meet the following criteria will be eligible for continued occupancy:

1. Qualify as a "family" as defined in Appendix 1 of this policy.
2. Are in full compliance with the resident obligations and responsibilities as described in the dwelling lease.
3. Whose family members, age six (6) and older, each have Social Security numbers or have certifications on file indicating they have no Social Security number.
4. Who meet HUD standards on citizenship or immigration status or are paying a pro-rated rent.
5. Who are in compliance with MDHA's eight (8) hour per month community service requirements (applicable to public housing developments).

B. Remaining Family Members and Prior Debt

1. Remaining family members age eighteen (18) years or older will be held responsible for arrearages incurred by the former head or spouse. MDHA will not hold remaining family members (other than the head or spouse) responsible for any portion of the arrearage incurred before the remaining member attained age eighteen (18).
2. Remaining family members under age eighteen (18) shall not be held responsible for the rent arrearages incurred by the former head of household.

C. Recertification

Due to MDHA's large project-based portfolio of units, the recertification schedule is determined by the development in which the household resides, rather than by the tenancy anniversary. After the initial move-in certification, some residents may be re-certified within the first year of tenancy due to the recertification schedule established for the development. In order to have the information available to adjust the rent, the initial request for re-certification will be started at least one hundred and twenty (120) days before the scheduled effective re-certification date.

1. Regular recertifications: MDHA shall, at least once a year, re-examine the family composition and incomes of all resident families. The families paying Flat Rent shall have their incomes reexamined every three (3) years, but shall still be subject to annual reexamination of the family composition and the community service requirement.
2. Special Recertifications: When it is not possible to estimate family income accurately, a temporary determination will be made with respect to income and a special recertification will be scheduled every sixty (60) days until a reasonably accurate estimate of income can be made.

3. Interim recertification shall be conducted when:
 - a. There is a change in the head of household that requires a remaining family member to take on the responsibilities of a leaseholder,
 - b. There is a change in the family composition or family income,
 - c. The family qualifies for an earned income disallowance and the 100% income disallowance period begins,
 - d. The rent is to be adjusted because the family is entering the 50% earned income disallowance period, and
 - e. The rent is to be adjusted because the 50% earned income disallowance period ends (Refer to Article XII, Section F of this policy).
4. Zero Income Families: Unless the family has income that is excluded for rent computation, families reporting zero income will have their circumstances examined every sixty (60) days until they have a stable income. Monetary or non-monetary contributions from persons not residing in the dwelling unit for any purpose other than the payment or reimbursement of medical expenses shall be considered income.

D. Recertification Procedures

1. At the time of recertification, all adult members of the household will be required to sign an application for continued occupancy, the community service certification, if applicable, and other forms required by USHUD and MDHA.
2. Income, allowances, Social Security numbers, and such other data as is deemed necessary will be verified, and all verified findings will be filed in the resident's file.
3. Verified information will be analyzed and a determination made with respect to:
 - a. Eligibility of the resident as a family or as the remaining member of a family;
 - b. Unit size required for the family (using the Occupancy Guidelines); and
 - c. Rent the family should pay
 - d. Compliance with the Community Service Requirements (public housing residents only)
4. MDHA may access criminal justice records of any household members with the purpose of determining continued assistance under the program, at recertification and at any time MDHA deems it necessary.
5. Residents with a history of employment, but are unemployed at recertification, will have income anticipated based on past and anticipated employment in accordance with, and where permitted by federal regulations. Residents with seasonal or part-time employment of a cyclical nature will be asked for third party documentation of their employment including start and ending dates.

6. Income shall be computed in accordance with the definitions and procedures set forth in Federal regulations and this policy.
7. Families failing to respond to the initial recertification appointment will be issued a final appointment within the same month. Failure to respond to the final request will result in the family being sent a notice of lease violation and referred to the Regional Manager for termination of the lease.
8. As with applicants, Up-front Income Verification and third party verifications are the most desirable forms of verification of the information provided by the resident at recertification (refer to Chapter II, Section H.5 of this policy).
9. Recertification procedures also apply in the event residents are under the eviction or termination process. The recertification is not an offer of extension of the lease agreement and does not constitute a waiver of such eviction or termination proceeding.

E. Temporary Rent

The resident may not be able to be recertified due to temporary absence from the unit due to a hospital stay. Thus, it may not be possible to verify family income by the scheduled recertification date. In such case the following steps shall be followed:

1. A temporary rent will be established based on the most recent information supplied by the family.
2. The resident will be notified in writing with a "Temporary Rent Notice" that payments of rent based on the unverified report of anticipated annual income are to be made pending verification of family income.
3. The appropriate rent when established will be effective from the scheduled recertification date and the resident will be charged for any balance due, or credited with any overpayment, resulting from payment of the temporary rent.
4. The temporary rent period shall be for thirty (30) days from the established recertification date and can be extended no longer than an additional thirty (30) days while income is being verified.
5. At the conclusion of the temporary rent period, the temporary rent status shall expire and the appropriate rent established.

F. Action Following Recertification

1. If there is any change in rent, a Notice of Rent Adjustment is sent to the resident notifying the amount and the effective date of the new rent. If there is a change in the family composition, a lease addendum is executed by the head of household and the new family members.
2. If any change in the unit size is required, the resident will be placed on a transfer list in accordance with the transfer criteria described above in this policy and moved to an appropriate unit when one becomes available, subject to the requirements stipulated in the transfer policy section and approved by the Public Housing Director or designee, where required.

VII. Interim Rent Adjustments

A. Adjusting Rent between Regular Recertification

Rent is re-determined between annual recertifications when a resident undergoes a change in family composition or income.

1. Family composition changes. The resident must report and provide verification of those changes which involve the loss or gain of a family member. An increase due to additions to the family by birth, adoption, or by operation of law, or a decrease in family size may result in a change in the Tenant Rent. Family size changes must be reported within ten (10) days of the status change.
2. Family income changes
 - a. Residents must report within ten (10) days of occurrence a change in income as follows:
 - Changes of \$40 or more per month for residents of Public Housing developments, pursuant to the dwelling lease,
 - Changes of \$200 or more per month for residents of County-owned Section 8 New-Construction developments, pursuant to the dwelling lease.
 - Other changes stipulated in the dwelling lease
 - b. The resident may request an interim adjustment of rent as a result of a decrease or loss of income that will be for a period longer than thirty (30) days .If as a result of any interim change the rent is decreased, the resident must report, and provide verification of, all subsequent changes in income and family composition as they occur until their next scheduled annual recertification. The resident's rent will be adjusted in accordance with Federal regulations.
 - c. As long as information regarding family status changes is reported in a timely manner by the family, increases in rent will be made effective the first day of the second month following the month in which the change is reported and proper verification completed. Decreases in rent will be made effective the first day of the month following the month in which the change is reported and proper verification completed.
3. For residents of Public Housing developments qualified for Earned Income Disallowance (EID) (Refer to Chapter XII., Section F. of this policy) (excluding residents of Section 8 New Construction developments):
 - a. The family qualifies for the disallowance of increase in earned income, and the first 12-month period of 100% income disallowance begins.
 - b. At the end of the first 12-month period of 100% income disallowance, an adjustment of the rent shall be made for the second 12-month period to factor a 50% income disallowance.
4. Misrepresentation by the resident

- a. If it is found that the resident has misrepresented facts to MDHA so that rent being paid is less than should be charged, then the increase in rent shall be retroactive to the first of the month following the effective date of the change in income. In justifiable cases, MDHA may take such action as it deems advisable in accordance with federal or Florida law, including but not limited to termination of assistance and eviction.
- b. Decreases in income resulting from welfare fraud or from welfare cuts for failure to comply with economic self sufficiency requirements are not eligible for rent reductions.

VIII. Lease Termination Procedures

A. General Policy: Lease Termination

The Lease may be terminated by MDHA in compliance with USHUD regulations and in accordance with the provisions contained within the Public Housing or the Section 8 New Construction Lease (Lease) and/or Chapter 83, Part 2, of the Florida Statutes.

The Lease may be terminated by the resident not earlier than at the end of the first year by giving thirty (30) days written notice and upon compliance with all applicable procedures to properly vacate the unit and to depart in good standing.

MDHA shall have the right to terminate or refuse to renew the Lease for failure by the resident to fulfill his/her obligations set forth in the Lease agreement and for serious or repeated violations by the resident of one or more of the material terms of the Lease. The following causes for termination contained in the Public Housing Lease includes but may not be limited to:

1. Failure by the resident or any member of his/her household to fulfill his/her obligations outlined under the Articles of the Lease, the Community Policies, or Tenant Rules and Regulations, and any addenda or amendments to the Lease, Community Policies or Tenant Rules and Regulations.

3. The denial of service, disconnection or shutting off of utilities that the resident is responsible for paying.
4. Violation of the One Strike policy for any drug-related criminal activity, violent criminal activity, or non-violent criminal activity, whether on or off the premises, committed by the resident, any member of his/her household, a guest or a person under the control of the resident, that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of MDHA. Any such criminal activity, even in the absence of an arrest or a conviction, shall be cause for termination of tenancy, and for eviction from the dwelling unit:
 - a. Drug-related criminal activity shall include: illegal possession, manufacture, sale, distribution, use and/or possession with intent to manufacture, sell, distribute, or use, a controlled substance; and
 - b. Violent criminal activity shall include: any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, non-trivial bodily injury or property damage.
 - c. A fugitive felon or parole violator after conviction of a crime or attempt to commit a crime is considered a person that threatens the health, safety and right to peaceful enjoyment of the premises by other residents or employees of MDHA.
5. If the non-violent criminal activity does not threaten the health, safety or right to peaceful enjoyment of the residents, after a warning has been issued, any

subsequent warning regarding the same individual shall be considered a violation of the lease.

6. A record of two or more incidents of alcohol abuse or pattern of abuse when the record or pattern of abuse poses a direct threat to the health or safety of others, shall be considered a violation of the lease.
7. Failure by the resident to report to any recertification interview or provide verification of any information required by MDHA.
8. Discovery of material false statements in connection with information provided at application or recertifications, or fraud committed by the resident in connection with any federally assisted housing program.
9. For Public Housing residents only, failure to comply with Federal, State or local public assistance program requirements related to work activities, community service and self-sufficiency requirements (work activities and community service requirements are not applicable to Section 8 New Construction residents).
10. The issuance of three (3) or more 14-day notices of termination for non-payment of rent in any twelve month period.
11. If the resident or any member of his/her household, a guest or a person under the resident's control, engages in the illegal use, or threatened use of or display of firearms, fire bombs or other weapons on MDHA property.
12. If the conduct of the resident, any member of his/her household, a guest or a person under the resident's control, is such that there is a likelihood that his or her presence on the premises may lead to personal injury or property damage.
13. If school-age children do not attend school regularly and are absent more than fifteen (15) unexcused days within any 90-day period of a given school year except in instances of death, serious illness or injury, or the child who attains the age of sixteen (16) years files a formal declaration of intent to terminate school enrollment with the School Board.
14. Serious or repeated damage to the dwelling unit, creation of physical hazards in the unit, common areas, grounds, or parking areas.
15. Any fire on the premises caused by carelessness, failure to supervise children or unattended cooking.
16. If the resident, any member of his/her household, a guest or a person under the resident's control threatens, obstructs or interferes with a MDHA employee or any government official conducting official business on or around the premises.
17. The resident refuses to accept MDHA's proposed change(s) to the Lease.
18. If the resident's continued occupancy repeatedly interferes with, or is counter to County policies, or if the Lease has expired and has not been renewed.

B. Consideration of Mitigating Circumstances

1. Prior to MDHA's decision to terminate assistance for criminal activity or for any activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents, MDHA may consider all circumstances relevant to a particular case, such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.
 - a. Upon determination by the Public Housing Director or designee, MDHA may require a tenant to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for the action or failure to act that warrants termination. If MDHA's Public Housing Director or designee determines that the tenant may continue to reside in the unit by excluding the household member(s) who participated in or was culpable for the action or failure to act warranting termination, MDHA will terminate the tenant's tenancy if another household member(s) commits a criminal activity warranting termination within five (5) years of the first offending activity.
 - b. Upon determination by the Public Housing Director or designee, MDHA, in its decision whether to terminate tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, MDHA may require the tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

C. Notice Requirements

If the MDHA proposes to terminate the Lease, the termination of the Lease shall be by Federal and State law as follows or as may be amended in the future:

1. MDHA shall give the applicable written notice of termination (14-day Notice of Termination for Non-payment of Rent), if said termination is caused by resident's failure to pay rent. Such notice shall not be sent until the rent is delinquent in accordance with the Lease.
2. MDHA shall give seven (7) days written notice of termination for serious violations of the Lease.
3. MDHA shall give thirty (30) days written notice of termination in any other case or cause.
4. The notice of termination to the resident shall state the reasons for termination; shall inform the resident of his/her right to make such reply, settlement, and/or request for a hearing in accordance with MDHA policy, if applicable.

D. Recordkeeping Requirements

A written record of every termination and/or eviction shall be maintained by MDHA, and shall contain the following information:

1. Name of resident, race and ethnicity, number and identification of unit occupied;
2. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
3. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
4. Date and method of notifying resident; and
5. Summaries of any conferences held with resident including dates, names of conference participants and conclusions.

Such records may be maintained electronically.

IX. Grievance Policy

Applicants of Public Housing and Section 8 New Construction programs have the right to obtain an informal review and current residents have the right to request an administrative hearing, when required by federal regulations, regarding MDHA's action or failure to act which has an adverse effect on the individual resident's rights, duties, welfare or status.

A. Applicant's Informal Reviews

Applicants denied program participation or removed from the waiting list shall be entitled to an informal review conducted by MDHA. Applicants will be notified of such determination in writing, generally at the time of their initial certification appointment.

The process described in MDHA's Reasonable Accommodation Policy and Procedures document will be followed for applicants denied reasonable accommodation requests. Further, this document describes the process that must be followed by the hearing officer if he/she becomes aware during the informal review that an applicant's ineligibility determination occurred because of the applicant's disability.

It is an applicant's responsibility to notify ALC when there is a change in address.

1. Processing Removals

- a. An applicant who is determined ineligible for housing program benefits, or who does not respond within thirty (30) days to a notice calling him/her in for processing, shall be notified in writing that his/her name will be removed from the waiting list unless he/she requests an informal review by contacting MDHA within thirty (30) days of the notice. The applicant or mobility pool member whose mail is returned by the post office will be automatically withdrawn from the waiting list.
- b. Applicants or mobility pool members who have been removed from the waiting list for failing to respond to notices calling him/her in for processing may, within one year of being removed from the waiting list, request an informal review seeking reinstatement to his/her original place on the waiting list.
- c. If MDHA proposes to deny admission on the basis of a criminal record, MDHA will provide the family member with the criminal record and the head of household with a copy of the criminal record upon request either before or at the informal review and provide an opportunity to dispute the accuracy and relevance of that record. The applicant or mobility pool member will have thirty (30) calendar days to dispute the accuracy and relevance of the record in writing. If MDHA does not receive the dispute within the allotted time, the applicant or mobility pool member will be denied participation and his/her name removed from the waiting list.

2. Requesting an informal review

Applicants may request an informal review by contacting the telephone number indicated on the adverse action letter. The request must be made within thirty (30) days from the date of the notice. MDHA will schedule the review for the next available hearing date and forward written notification to the applicant.

3. Informal Review Procedures

- a. The informal review will be conducted by a hearing officer or other designated MDHA staff that shall listen to testimony or other evidence that the applicant may wish to present. When feasible, the hearing officer's decision will be made in writing, within fourteen (14) calendar days of the review.
- b. The decision of the hearing officer shall be final. In extenuating circumstances, the MDHA Director may modify the decision of a hearing officer. The hearing officer's decision, however, shall not abridge any other rights the participants have under law.

B. Procedure for Obtaining an Administrative Hearing for Public Housing Residents

1. Residents of Public Housing developments, who desire a hearing, must submit a written request to the MDHA's representative within five (5) business days of receiving a notice of proposed adverse action. The written request must specify:
 - a. The reason(s) for the grievance or content of MDHA's proposed action;
and
 - b. The action or relief sought.

The process described in MDHA's Reasonable Accommodation Policy and Procedures document will be followed for residents denied reasonable accommodation requests. Further, this document describes the process that must be followed if the hearing panel becomes aware that the reason for the termination of assistance or other adverse action occurred because of the resident's disability.

2. In the event of a dispute regarding rent amount, the resident shall deposit in an escrow account the same amount of rent due and payable as of the first of the month proceeding the month in which the act or failure to act took place. The complainant shall thereafter deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the hearing officer or hearing panel. These requirements may be waived by MDHA in extenuating circumstances. Unless so waived, the failure to make such payments shall result in a termination of the rights to grievance procedure and all sums will immediately become due and payable under the lease.

C. Exclusions

The following items are excluded from the Grievance Policy according to fed regulations:

1. Lease termination or eviction for criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of MDHA;
2. Lease termination or eviction for One Strike rule violations, for drug-related criminal activity on or off MDHA owned, managed or controlled housing, office, warehouse or other property;
3. Class action grievances and policy issues.

D. Hearing Panel

1. The Hearing Panel consists of three (3) persons:

- a. A MDHA employee appointed by the MDHA Director or designee, but such employee may not be the public housing or Section 8 New Construction site manager or a member of his/her staff from the development at which the resident submitting the grievance resides;
- b. A resident representative nominated by the appropriate Regional Chairperson for the Overall Tenant Advisory Council (OTAC); and
- c. A resident representative nominated by the Resident Council of the development in which the complainant resides.

If OTAC or the Resident Council fails to nominate their respective panel member, the MDHA Director or designee may select a resident or a staff member but not the site manager or his/her staff at the development where the complainant resides.

E. Hearing

1. The parties may be represented by legal counsel or a nother person chosen as a representative.
2. Prior to the hearing, the resident may examine and copy at his/her expense all documents, records, and regulations of MDHA that may be relevant to the hearing, unless otherwise prohibited by law. In the event, MDHA does not provide the resident with a copy of his or her file prior to the hearing, MDHA is prohibited from relying on the contents of the file at the hearing as set forth in the federal regulations.
3. If the resident fails to appear at a scheduled hearing, except for verifiable good cause, the resident is in automatic default and the decision rendered by the Grievance Panel in his/her absence shall be final.
4. At the hearing, the resident must first show entitlement to the relief sought. Thereafter, MDHA has the burden of justifying MDHA's action, or failure to act, at which the complaint is directed.
5. Oral or documentary evidence pertinent to the facts and issues raised by the complainant may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.
6. The MDHA employee appointed to the Hearing Panel by the MDHA Director, acting as the Chairperson of the Grievance Panel, shall require MDHA, the resident, Resident Counsel, and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the Chairperson may result in exclusion from the proceedings; in a decision adverse to the interest of the disorderly party; and granting or denial of the relief sought, as appropriate.

F. Decision of the Hearing Panel

1. The decision of the Hearing Panel shall be based solely and exclusively upon the facts presented at the hearing and upon applicable County and Federal regulations and requirements. This decision shall be in writing by the chairperson of the Grievance Panel specifying the reasons thereof, within fourteen (14) calendar days of the hearing. A copy of the decision must be forwarded to the resident and another copy to the management office to be filed in the resident's records.
2. A decision by the Grievance Panel in favor of MDHA or which denies the relief sought by the resident in whole or in part shall not constitute a waiver of or affect in any manner whatever, the resident's rights to trial de novo or judicial review in any judicial proceeding which may thereafter be brought in the matter.

X. Utilities and Maintenance Charges

A. Utilities

This section establishes the procedures for utility allowances for resident-purchased utilities in public housing developments. Utilities are defined as electricity, gas, water and sewer. Telephone and cable television are not considered utilities under this policy.

1. Standard for utility consumption allowances:

- a. MDHA shall establish for each development, by bedroom size, a consumption allowance which will afford a reasonable consumption of utilities by an energy conservative household of modest circumstances consistent with the requirement of a safe, sanitary and healthful living environment. The consumption allowance shall be a uniform monthly amount based on an average monthly utility requirement for a year.

2. Review and revision of allowance:

- a. Annual review: MDHA shall review the utility allowances annually or in accordance with federal regulatory requirements and shall adjust the amount of utility allowance if necessary to reflect changes in utility rates and/or utility consumptions.
- b. Interim revision due to rate changes: MDHA may revise its utility allowances for resident-purchased utilities between annual reviews if there is a rate change (including fuel adjustments). MDHA is required to do so if a rate change, by itself or together with prior rate changes not adjusted for, results in a change of 10% or more from the rates on which such allowances were based.
- c. Schedule of Utility Allowances: Schedules of utility allowances for each development are posted on the bulletin board in each development office and will be made available to the resident upon request.
- d. Relief from excess consumption: Residents may request relief from excess utility consumption if the request is based on medical needs of the elderly, ill or disabled resident or for special factors affecting utility usage not within the control of the resident.

B. Maintenance Charges

1. This section establishes the procedures for maintenance charges in Public Housing and Section 8 New Construction developments.

- a. Schedules of maintenance charges are posted in the development offices and will be made available to residents upon request.
- b. Residents will be charged for material and services at the price list in effect at the time of repair for intentional damages or damages caused by negligence of the residents.

- c. MDHA will notify the resident by mail or in person of any maintenance charges for which he/she will be billed, and his/her rights to request a hearing under the grievance procedure.
 - d. At the resident's request for a hearing, the charges will not become due until the grievance process has been completed.
2. Move-Out Charges:
- a. Upon the move out inspection, residents will be held responsible for all damages beyond normal wear and tear to the unit and appliances.
 - b. Damages beyond normal wear and tear not repaired will be charged to the resident's security deposit and if necessary the resident's account at the time of move-out. The price list in effect at the move-out will be utilized to price labor and materials.

XI. Flat Rents

Flat Rents are market-based rents. Flat Rents vary by unit size and type and also by development location. Flat Rents represent the actual market value of MDHA's Public Housing units. ALC must offer new admissions to Public Housing developments a choice of paying a flat or income-based rent at the time of admission. Further, once each year, at the annual recertification, all Public Housing residents are offered the choice of paying the Flat Rent or income-based rent. The Flat Rent does not apply to residents of Section 8 New Construction developments.

A. Development of Flat Rents

MDHA will take into consideration the following information in developing its Flat Rent schedule:

- Rents of non-assisted rental units in the immediate neighborhood
- Size of MDHA's units compared to non-assisted rental units from the neighborhood
- Age, type of unit and condition of MDHA's units compared to non-assisted rental units from the neighborhood
- Land use in the surrounding neighborhood
- Amenities (childcare, laundry facilities, playgrounds, community rooms, social services, education/job training programs, etc.) at MDHA's properties and in the surrounding neighborhood
- Crime in MDHA's developments and the surrounding neighborhood
- Quality of local schools serving each MDHA development
- Availability of public transportation at each MDHA development and
- Availability of accessible units for persons with mobility impairments

B. Annual Update of Flat Rents

MDHA shall review the Flat Rent structure annually and adjust the rents as needed. When a Public Housing resident chooses Flat Rent, his/her rent shall be adjusted only at the next regular recertification rather than at the point the Flat Rent may change.

C. Recertification of Families on Flat Rents

Public Housing residents paying Flat Rents are required to recertify income every three (3) years, rather than annually. Residents are still required to participate in an annual recertification in order to ensure that unit size is still appropriate and the community service requirements, if applicable, are met.

XII. Determining Income and Income-Based Rent

A. Annual Income

Annual income is the anticipated total income from all sources, including net income derived from assets, received by the family head and spouse (even if temporarily absent) and by each additional family member including all net income from assets for the 12-month period following the effective date of initial determination or recertification of income, exclusive of income that is temporary, nonrecurring, or sporadic as defined below, or is specifically excluded from income by other federal statute. Withdrawals of cash or assets will not be considered income when used to reimburse the family for cash or assets invested in the business;

A notice will be published by USHUD in the Federal Register identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. - n. Earned income tax credit refund payments received on or after January 1, 1991 (26 USC 32 (j));
- o. Payments by the Indian Claims Commission to the Confederated Tribes and Bands of Yakima Indian Nation or the Apache Tribe of Mescalero Reservation;
- p. Allowances, earnings and payments to AmeriCorps participants under the National and Community Service Act of 1990;

C. Anticipating Annual Income

If it is not feasible to anticipate income for a 12-month period, MDHA may use the annualized income anticipated for a shorter period, subject to an interim adjustment at the end of the shorter period. For example, this method would be used for teachers who are only paid for nine (9) months, or for tenants receiving unemployment compensation.

D. Adjusted Income

Adjusted Income is the income upon which rent is based. Adjusted income means Annual Income less the following deductions and exemptions:

1. For all Families

- a. Child Care Expenses - A deduction of amounts anticipated to be paid by the family for the care of children under thirteen (13) years of age for the period for which Annual Income is computed, but only when such care is necessary to enable a family member to be gainfully employed, to seek employment or to further his/her education. Amounts deducted must be unreimbursed expenses and shall not exceed: (a) the amount of income earned by the family member released to work; or (b) an amount determined to be reasonable by PHA when the expense is incurred to permit education or to seek employment.
- b. Dependent Deduction - An exemption of \$480 for each member of the family residing in the household, other than the head of household, or spouse, live-in aide, foster adult or foster child, who is under eighteen years of age or who is eighteen years of age or older and disabled, or a full-time student.
- c. Work-related Disability Expenses - A deduction of un-reimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s)

freed to work. Equipment and auxiliary apparatus may include but are not limited to:

- Wheelchairs
- Lifts
- Reading devices for the visually impaired
- Equipment added to cars and vans to permit their use by the disabled family member.
- Included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.

- d. For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all un-reimbursed expenses for work-related disability expense less three percent of annual income, provided the amount so calculated does not exceed the employment income earned.
- e. For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three (3) percent of annual income (provided the amount so calculated does not exceed the employment income earned) plus medical expenses as defined below.

2. For Elderly and Disabled Families only:

- a. Medical Expense Deduction - A deduction of unreimbursed medical expenses, including insurance premiums, anticipated for the period for which annual income is computed. Medical expenses include but are not limited to:
 - Services of physicians and other health care professionals
 - Services of health care facilities
 - Health insurance premiums (including the cost of Medicare)
 - Prescription and non-prescription medicines
 - Transportation to and from treatment
 - Dental expenses
 - Eyeglasses
 - Hearing aids and batteries
 - Attendant care (unrelated to employment of family members),
 - Payments on accumulated medical bills.
 - Medicare assistance provided for the cost of drugs pursuant to prescription drug discount cards, negotiated drug price, or transitional assistance subsidies, while in effect (PIH Notice 2004-11).
 - The enrollment fee (up to \$30) of the prescription drug discount card program, if not paid by Medicare.
- b. To be considered by PHA for the purpose of determining a deduction from income, the expenses claimed must be verifiable.
- c. For elderly or disabled families without work-related disability expenses: The amount of the deduction shall equal total medical expenses less three (3) percent of annual income.

- d. For elderly or disabled families with both work-related disability expenses and medical expenses: the amount of the deduction is calculated as described in paragraph D.1.c .above.
3. Elderly/Disabled Household Exemption - An exemption of \$400 per household. See definitions in Appendix I of this policy.

E. Computation of Rent

1. The first step in computing rent is to determine each family's Total Tenant Payment (TTP). If the family is occupying a unit that has tenant-paid utilities, the utility allowance is subtracted from the TTP. The result of this computation, if a positive number, is the tenant rent. If the TTP less the utility allowance is a negative number, the result is the utility reimbursement, which is paid to the tenant.
2. TTP is the highest of:
 - a. 30% of adjusted monthly income; or
 - b. 10% of monthly income; but never less than the
 - c. Minimum Rent; and never more than the
 - d. Flat Rent, if chosen by the family (where applicable)
3. Tenant rent is computed by subtracting the utility allowance for tenant supplied utilities (if applicable) from the TTP. In developments where MDHA pays all utility bills directly to the utility supplier, tenant rent equals TTP.
4. The minimum rent shall be \$25 per month; however, a hardship exemption shall be granted to residents who can document that they are unable to pay the \$25 because of a long-term hardship (over ninety (90) days). Examples under which residents would qualify for the hardship exemption to the minimum rent would be limited to the following:
 - a. The family has lost eligibility for or is applying for an eligibility determination for a Federal, State or local assistance program;
 - b. The family would be evicted as a result of the imposition of the minimum rent requirements;
 - c. The income of the family has decreased because of changed circumstances, including loss of employment;
 - d. A death in the family has occurred; or
 - e. Other circumstances as determined by MDHA
5. The minimum rent hardship exemption is retroactive to October 21, 1998. If any resident who qualified for the hardship exemption was charged a minimum rent since that time, the resident may be entitled to a retroactive credit.
6. At initial certification and at each subsequent annual recertification, the resident shall be offered a choice of paying either the income -based rent or the Flat Rent applicable to the unit they will be occupying.

F. Earned Income Disallowance

The Earned Income Disallowance (EID) is the exclusion from the calculation of the family's income, the income increase attributable to new employment or increased earnings, over the income received prior to qualifying for the disallowance. The EID is not applicable to residents of Section 8 New Construction developments.

1. The EID applies to any Public Housing resident whose:

- a. annual income increases due to employment of a family member who was unemployed for one (1) or more year previous to employment; or
- b. annual income increases as the result of increased earnings by a family member during participation in any economic self sufficiency or other job training program; or
- c. annual income increases due to new employment or increased earnings of a family member during or within six (6) months of receiving state funded assistance, benefits or services.

2. For purposes of the EID, the following definitions apply:

- a. State-funded assistance, benefits or services means any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by MDHA in consultation with the local agencies administering Temporary Assistance for Needy Families (TANF) and Welfare-to-Work programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one -time payments, wage subsidies and transportation assistance – provided that the total amount over a six-month period is at least \$500.
- b. During the 12-month period beginning when the member first qualifies for a disallowance, MDHA must exclude from annual income any increase in income as a result of employment. For the twelve (12) cumulative months following the first exclusion period, 50% of the income increase shall be excluded.
- c. Regardless of how long it takes a resident to work for twelve (12) cumulative months (to qualify for the first exclusion) or the second twelve (12) cumulative months (to qualify for the second exclusion), the maximum period for the disallowance (exclusion) is forty eight (48) months.
- d. The disallowance of increased income under this section is only applicable to current residents and will not apply to applicants who have begun working prior to admission, unless their earnings are less than would be earned working ten hours per week at minimum wage, under which they qualify as unemployed.
- e. The definition of previously unemployed also includes a person who has earned not more than could be earned working ten (10) hours per week for fifty (50) weeks at the established minimum wage.

3. The periods of income disallowance are as follows:

- a. 100% disallowance of increased earnings: The initial 12-month cumulative full exclusion period begins on the date the qualifying family member experiences an increase in income attributable to employment or increased earnings.
- b. 50% disallowance of increased earnings: The second 12-month cumulative exclusion period begins after the initial period ends.
- c. 48-month lifetime limitation: The EID concludes at the end of the second 12-month cumulative period or after 48 months of the initial 12-month cumulative period, whichever come first.
- d. After the EID periods end, the full income is included towards the rent calculation.

All applicable Fair Housing Information and Discrimination Complaint forms will be made available at MDHA's 504/ADA Coordinator's office and/or by the 504/ADA Coordinator mailing copies of information to person requesting same. In addition, all appropriate written information and advertisements will contain the appropriate written information, and advertisements will contain the appropriate Equal Opportunity language and logo.
2. MDHA's 504/ADA Coordinator will assist any family that believes they have suffered illegal discrimination by providing copies of the federal and local housing discrimination forms and the addresses of the applicable offices. Also, MDHA's 504/ADA Coordinator will facilitate conciliation of discrimination complaints upon the request of complainants, to the greatest extent feasible.
3. MDHA will cooperate with USHUD in conducting monitoring and compliance reviews and complaint investigations, pursuant to all applicable civil rights statutes and regulations, Executive Orders, and all civil rights related program requirements.
4. Reasonable accommodation requests are processed through the 504/ADA Coordinator's office (refer to Section E of this Chapter).

C. Effective Communication Policy

Good Cause

As used in the Adker Consent Decree with respect to refusal of a housing offer, 'good cause' shall mean that an applicant who is offered a unit can demonstrate through objective evidence that a move into the unit offered would result in a hardship related to the ability of the applicant or a member of the applicant's family to retain his or her employment or retain particular day care or medical services uniquely suited to the affected individual's needs. In addition, a hardship may relate to the person's inability to conveniently use the facility because of his or her disability and a lack of the necessary accessibility features. Additional examples of good cause are included in this policy.

Homeownership Opportunities

After October 28, 1998 any homeownership opportunities shall mean any homeownership units developed, purchased, or redeveloped by Miami-Dade County solely or as a joint venture with any other entity.

Income Eligibility for Admission

At least 40% of families admitted to the Public Housing program in each fiscal year effective October 21, 1998 must have incomes that do not exceed 30% of Area Median Income (AMI). In each fiscal year MDHA may reduce the targeted public housing admissions to the extent that MDHA provides tenant-based Section 8 assistance above the targeted 75% to families that do not exceed 30% of AMI. The public housing target, however, may not be reduced below 30% of admissions.

member and qualifies for occupancy only for as long as the individual requires the supportive services and is living in the unit. MDHA shall deny occupancy of the unit to the live-in aide after the resident, for whatever reason, is no longer living in the unit.

A relative may be considered as a live-in aide, but must meet all the above criteria and be qualified to provide the care for the family member. The head of household and the live-in aide shall acknowledge that the live-in aide does not have any right to the unit and does not qualify for continued occupancy as a remaining family member by signing the Live-In Aide Agreement which shall become an addendum to the resident's lease.

Upon approval of MDHA Director or designee, under extraordinary circumstances, relatives satisfying the definition of a live-in aide wanting to have remaining family status may be added to the family composition as a family member and not as a live-in aide. In such case, the relative's income will be considered in the family's annual income.

MDHA has the right to deny the request for any person, who does not meet the admission criteria described in Chapter 2 of this Admissions and Continued Occupancy Plan, to become a live-in aide. A background check of the proposed live-in aide shall be completed prior to his/her approval by MDHA.

Total Tenant Payment

MIAMI-DADE HOUSING AGENCY

EFFECTIVE COMMUNICATION POLICY

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

APPENDIX II

MIAMI-DADE HOUSING AGENCY EFFECTIVE COMMUNICATION POLICY

It is the policy of the Miami-Dade Housing Agency (MDHA) to ensure that communications with applicants, residents, program participants, employees, and members of the public with disabilities are as effective as communications with others.

MDHA, including its employees, agents, contractors and private management companies/agents, shall furnish appropriate auxiliary aids and services, where necessary, to afford individuals with disabilities, including individuals with hearing, visual or cognitive disabilities, an equal opportunity to participate in, and enjoy the benefits of, the programs, services and activities conducted by MDHA.

AUXILIARY AIDS AND SERVICES:

"Auxiliary aids and services" include, but are not limited to: (1) qualified sign language interpreters, note-takers, transcription services, written materials, telephone handset amplifiers, assistive listening devices, assistive listening systems, telephones compatible with hearing aids, closed caption decoders, open and closed captioning, telecommunications devices for deaf persons (TDDs), videotext displays, or other effective methods of making aurally delivered materials available to individuals with hearing impairments; and, (2) qualified readers, taped texts, audio recordings, Brailled materials, large print materials, or other effective methods of making visually delivered materials available to individuals with visual impairments.

REQUEST FOR EFFECTIVE COMMUNICATION:

When an auxiliary aid or service is required to ensure effective communication, MDHA will provide an opportunity for an individual with a disability to request the auxiliary aid or service of his or her choice. MDHA will give primary consideration to the choice expressed by the individual. "Primary consideration" means that MDHA will honor the choice, unless it can show that another equally effective means of communication is available; or, that use of the means chosen would result in a fundamental alteration in the nature of its service, program, or activity or in an undue financial and administrative burden.

The individual will submit his/her request for auxiliary aids or services to the appropriate MDHA staff person designated below. All requests shall be dated and time-stamped upon receipt by the appropriate MDHA staff person.

Within forty-eight (48) hours of receipt of the individual's request, the designated MDHA staff person will consult with the individual with the disability when the preferred type of auxiliary aid or service is not available or not required, and the staff person is attempting to ascertain whether an alternative means of communication will ensure effective communication.

MIAMI-DADE HOUSING AGENCY EFFECTIVE COMMUNICATION POLICY

Within five (5) business days following receipt of the effective communication request(s), the designated MDHA staff person will provide the requesting individual with notification of the proposed auxiliary aid or service to be provided.

The ADA Coordinator will maintain copies of all requests for effective communication and, including final disposition, for the duration of this Agreement.

Individual requests for Effective Communication will be directed to the following MDHA officials:

Resident Requests:

MDHA resident requests for auxiliary aids or services should be made to the Site Manager at the resident's development.

However, individuals with disabilities who request auxiliary aids or services for public events such as public hearings, Board hearings, public meetings, etc., shall make their requests no later than five (5) days prior to the event.

GRIEVANCE PROCEDURES:

If the requesting individual with a disability is not satisfied with the MDHA's response to the individual's request(s) for an auxiliary aid or service, the individual may file a formal grievance, including appropriate supporting documentation, if any, with MDHA's Section 504/ADA Coordinator. The grievance may be communicated orally or in writing.

However, all oral grievances must be reduced to writing and maintained in MDHA's files. In addition, MDHA shall provide assistance to any individual who requests assistance in filing a grievance, including assistance in reducing the individual's grievance to writing. All grievances shall be dated and time-stamped.

**MIAMI-DADE HOUSING AGENCY
EFFECTIVE COMMUNICATION POLICY**

Within seventy-two (72) hours of receipt, MDHA's Section 504/ADA Coordinator will respond to the individual's grievance.

The Section 504/ADA Coordinator will provide his/her formal decision, in writing, within ten (10) business days after receipt of the grievance.

If the individual is dissatisfied with the MDHA Section 504/ADA Coordinator's determination, the individual may pursue remedies under MDHA's HUD-approved Grievance Procedures.

Memorandum

Chief, Administrative Support Services Division

Subject: Special Needs

The Miami-Dade County's Emergency Evacuation Assistance Program (EEAP) is designed for special needs people living at home who need assistance with evacuation. Miami-Dade residents who qualify for this service must pre-register with the EEAP. For a Miami-Dade resident to qualify, he or she must on a daily basis require skilled nursing care, assistance with daily living, or have life-saving medical equipment dependent on electricity. Residents of assisted living facilities (ALF) or nursing homes do not qualify.

These services are intended for those residents that have registered. If County residents call at the last minute, all attempts will be made to assist them, but the people on the registry will have priority.

TO REGISTER:

You can call the Miami-Dade Answer Center at 305-468-5900 [TDD 305-468-5402], and request an application to be mailed, or download an application from the Miami-Dade Portal at <http://www.miamidade.gov>, under Emergency Management. Also for your convenience, attached are the applications in English, Spanish, and Creole. Please have the eligible residents complete one of the attached applications. Vital medical information will help OEM determine the eligibility for the program and the types of services needed. The applicant must have their doctor sign the form and return it to the following address:

Miami-Dade Office of Emergency Management
9300 NW 41 Street
Miami, FL 33178

If eligible, the applicant will be assigned to an appropriate facility, and a determination will be made on the transportation type. OEM will then notify the applicant in writing of their assigned location.

Miami-Dade County Emergency Evacuation Assistance Program

Applicant Instructions and Information

The Emergency Evacuation Assistance Program is designed for special needs people living at home who need assistance with evacuation. Eligible applicants have a medical condition that requires nursing care or need assistance with activities of daily living. Residents of assisted living facilities or nursing homes do not qualify.

Complete **all** sections of the application. Indicate medical conditions, especially medical equipment requiring electricity, and any specialized transportation needs. Your physician must complete and sign the back portion of this application prior to submitting it to our office. You will be contacted on an annual basis to re-certify your need for this program. Once you are registered, you will not have to resubmit this application. If more than one person in your household needs assistance during evacuations, each one should complete a separate application.

The registry may be used for any emergency requiring evacuation, such as flooding, hurricanes or hazardous material spills (such as a gas leak.) In order for us to process your application in time for hurricane season you should submit it by April 30th. Resources are limited and those who are registered will have priority. If you wait until the evacuation begins to ask for help, it will be too late.

Hurricane evacuation centers, whether general or special needs, will **only** be available as a **last resort** for people who have **no other place to go**. If you need to evacuate, you should first seek shelter with relatives, friends or community organizations. Evacuation centers do not offer the same level of care available in a hospital or other health care facility. Only basic care and assistance are available. A caregiver must accompany you and remain with you during your stay in the evacuation center. Dialysis patients who do not have other special needs should go to general evacuation centers and carefully follow instructions from your dialysis center. An emergency renal diet plan is available on the OEM website listed below.

Medications, 24-hour skilled nursing care and life support equipment, including oxygen, are **not** available in hurricane evacuation centers, and continuous electricity cannot be guaranteed. If your condition requires this level of care we will attempt to find placement for you in a health care facility that participates in this program.

Supplies at hurricane evacuation centers are limited to food, water and first aid kits. You must bring with you a hurricane kit that includes bedding, medications and personal supplies. It is highly recommended that you eat a meal prior to leaving your home and bring with you special dietary foods. Special instructions and a registration card will be mailed to you once your application has been processed. Read these instructions **carefully** and keep them in a safe place. Prepare wisely and stay alert to the media for evacuation times during emergencies.

If you have any questions or need further information, please call (305) 513-7700. Return the completed application to:

Miami-Dade Office of Emergency Management, 9300 NW 41 Street, Miami, FL 33178

This information is available in English, Spanish, Creole. Call the Miami-Dade Office of Emergency Management at (305) 513-7700 for special requests. INTRODUCTION:

Policy Statement:

Miami-Dade Housing Agency (MDHA) is committed to ensuring that its policies and procedures do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities, on the basis of disability, in connection with the operations of MDHA's programs, services and activities. Therefore, if an individual with a disability requires an accommodation such as an accessible feature or modification to a MDHA policy, MDHA will provide such accommodation unless doing so would result in a fundamental alteration in the nature of the program, or an undue financial and administrative burden or would be neither reasonable nor necessary. In such a case, MDHA will make another accommodation that will not result in a financial or administrative burden or be either unreasonable or unnecessary.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

MDHA will post a copy of these Reasonable Accommodation Policies and Procedures in the applicant, resident and program participant waiting areas of the MDHA Applicant and Leasing Center, Mobility Pool Center, Section 8 Offices, Regional Offices of the MDHA; the offices of MDHA's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of these Reasonable Accommodation Policies and Procedures, upon request, from Applicant and Leasing Center Eligibility Interviewers, Public Housing Site Managers, Section 8 Leasing and Contract Specialists, and MDHA's ADA Coordinator.

For those who do not qualify as a person with a disability as defined by the Fair Housing Amendments Act, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, but who have a need for an accommodation because of a physical or mental impairment, MDHA may still provide an accommodation to meet that need contingent upon reasonableness and availability of resources.

Legal Authority:

MDHA is subject to Federal, state and local civil rights laws and regulations. This Reasonable Accommodation Policy is based on the following statutes or regulations:

See Section 504 of the Rehabilitation Act of 1973 (Section 504)¹; Title II of the Americans with Disabilities Act of 1990 (ADA)²; the Fair Housing Act of 1968, as amended (Fair Housing Act)³; the Architectural Barriers Act of 1968⁴, and the respective implementing regulations for each Act, State of Florida Statutes Sections 760.20-760.37, and Chapter 11A, *et. seq.* of the Code of Miami-Dade County.

Monitoring and Enforcement:

¹ 29 U.S.C. § 794; 24 C.F.R. Part 8.

² 42 U.S.C. §§ 12101 *et seq.*

³ 42 U.S.C. §§ 3601-20; 24 C.F.R. Part 100.

⁴ 42 U.S.C. §§ 4151-4157.

MDHA's ADA Coordinator is responsible for monitoring MDHA's compliance with the laws stated herein and this policy. Individuals who have questions regarding this policy, its interpretation or implementation should contact the ADA Coordinator in writing, by telephone, or by appointment, as follows:

Danny Howe, ADA Coordinator
1401 N.W. 7th Street, Building F

(305) 644-5187 phone
(305) 644-5113 fax
Florida Relay Service: (800) 955-8771 (TDD/TYY)

Individuals may contact the ADA Coordinator regarding any complaints regarding their reasonable accommodation request.

In addition, individuals may exercise their right to appeal MDHA's decision through the local offices of the following agencies:

United States Department of Housing and Urban Development
Office of Fair Housing and Equal Opportunity
909 S.E. 1st Avenue
Miami, FL 33131

General Policy Information:

The requirement to provide reasonable accommodation is intended to provide, for persons with disabilities, equal opportunity to participate in all housing programs administered by MDHA through modification of policies, procedures, or structures. This policy is not intended to provide greater program benefits to persons with disabilities than to non-disabled residents, program participants or applicants. It may mean, however, that persons with disabilities will sometimes be treated differently, in order to ensure equal access to programs and services.

Reasonable accommodation methods or actions that may be appropriate for a particular program and individual may be found to be inappropriate for another program or individual. The decision to approve or deny a request for a reasonable accommodation is made on a case-by-case basis and takes into consideration the disability and the needs of the individual as well as the nature of the program or activity in which the individual seeks to participate.

Information and documentation regarding the policy of reasonable accommodations will be given to applicants, residents and program participants during the admission and occupancy cycle, including but not limited to during the recertification process, and upon request (see "Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests", page 10). Forms and other documents used for applicants, residents and program participants will, to the extent feasible, be written in plain, intelligible

language. When appropriate, MDHA will provide documents in accessible formats, provide auxiliary aids, or, upon request, communicate with a third party designated by the applicant or resident.

Reasonable accommodations are made in response to individual requests from a qualified person with disabilities. The request may be made in any manner that is convenient for the person with disabilities. Accommodations will be unique to the individual with disabilities; individuals with the same disability may not need, or desire, the same level of accommodation. There is no standard approach. What works for one person may not work for another in the same situation.

MDHA will not provide supportive services, e.g., counseling, medical, or social services that fall outside the range of services offered to residents. Further, MDHA will make modifications in order to enable a qualified applicant/resident with disabilities to live in the housing, but is not required to offer housing of a fundamentally different nature. The test is whether, with appropriate modifications, the applicant/resident can live in the housing that MDHA offers; not whether the applicant/resident could benefit from some other type of housing that MDHA does not offer.

DEFINITIONS:

Applicant: A person who successfully follows all of the required steps identified by MDHA as necessary for becoming a participant in one of MDHA's housing programs (for example: the Public Housing, Section 8 Housing Choice Voucher, or Section 8 Moderate Rehabilitation programs).

Assistive Animals: Animals that are used to give assistance to persons with disabilities and are necessary as a reasonable accommodation. Assistive animals are also referred to as service animals, support animals or therapeutic animals.

Major Life Activities: These include caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. This is not an exhaustive list; other life activities can also be major.

Mitigating Circumstances: Situations in which a requested reasonable accommodation enables an applicant, resident, or program participant to become lease compliant.

Resident: A person who successfully follows all of the required steps identified by MDHA as necessary for residing in a dwelling administered under MDHA's Public Housing Program.

Person with Disabilities: A person who 1) has a physical or mental impairment that substantially limits one or more major life activities, 2) has a record of such impairment, or 3) is regarded as having such impairment.

Physical Or Mental Impairment: A variety of conditions, diseases, illnesses, disfigurements and disorders including hearing/orthopedic/visual/speech impairments, alcoholism, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance), cerebral palsy, cancer, or HIV infection, if the impairment substantially limits one or more major life activities.

Program Participant: A person who successfully follows all of the required steps identified by MDHA as necessary for participating in MDHA's Section 8 Housing Choice Voucher or Section 8 Moderate Rehabilitation programs).

Reasonable Accommodation: a change, adaptation or modification to a policy, program, service, or workplace which will allow a qualified person with a disability to participate fully in a program, take advantage of a service, or perform a job. Reasonable accommodations may include, for example, those which are necessary in order for the person with a disability to use and enjoy his or her dwelling, including public and common use spaces.

Verification source: a qualified professional (not necessarily a physician) having knowledge of a person's disability who can verify the person's disability and need for a reasonable accommodation.

AUXILIARY AIDS AND EXAMPLES OF REASONABLE ACCOMMODATIONS:

To facilitate communication with persons with disabilities, MDHA shall furnish appropriate auxiliary aids. "Auxiliary aids" means services or devices that enable persons with impaired sensory, manual or oral skills to have an equal opportunity to participate in, and to enjoy, the benefits of programs and activities. However, MDHA is not required to provide individually prescribed devices, such as readers for personal use or study, personal hearing aids, walkers, canes, wheelchairs, or other devices of a personal nature. In determining what auxiliary aids are necessary, MDHA shall give primary consideration to request(s) of the individual with disabilities.

Types of auxiliary aids and reasonable accommodations that MDHA, when necessary and appropriate, readily supplies to applicants, residents and program participants include but are not limited to:

1. Allowing transfers to another dwelling upon verification by a qualified verification source of a disability-based need for the transfer.
2. Providing additional explanation of program rules and requirements.
3. Offering documents, in accessible formats (e.g., large type, computer disk or Braille) and in plain language.
4. Permitting rent payments and required communications to be mailed rather than delivered in person.
5. Providing accessible housing to applicants and residents.
6. Providing another housing offer if an applicant, resident or program participant can demonstrate good cause that the rejection of the initial housing offer, for example, was because of the disability of an applicant, resident or program participant's household member.
7. Making a dwelling unit, part of a unit or public and common use elements accessible.
8. Providing auxiliary aids, such as pencil and paper for those with speech difficulties, Telecommunication Device for the Deaf (TDD), Assisted Listening Device (ALD), a qualified sign language interpreter, or a reader, when necessary for effective communication between MDHA and an applicant, resident or program participant.
9. Sending mail or making phone calls to a person designated as a contact person by the person with disabilities.
10. Allowing the use of assistive animals.
11. Considering the impact of "mitigating circumstances" regarding the rejection of an applicant for housing or when terminating the lease or terminating housing assistance to an applicant, resident, or program participant. If the applicant/resident/program participant requests such consideration or if more information is required, MDHA will ask the applicant/resident/program participant to verify:

- a. that the applicant/resident/program participant has a disability;
 - b. that the specific situation(s) that led to application rejection or lease/housing assistance termination is/are caused by or occurred because of the disability or that the disability substantially contributes to the specific situation(s) that led to application rejection or lease/housing assistance termination;
 - c. that the proposed accommodation can reasonably be expected to prevent the recurrence of the situation(s) that led to application rejection or lease/housing assistance termination.
12. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was reasonably related to their disability. Decisions will be made on a case-by-case basis, considering whether, because of the person's disability, the person was prevented from responding in time and considering reasons for reinstating of applications normally allowed for people without disabilities.
 13. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was failure on the part of MDHA to provide effective communication.
 14. Allowing a live-in aide to reside in an appropriately-sized dwelling unit.
 15. Installing strobe type flashing lights and other such equipment for a family member with a hearing impairment.
 16. Permitting an outside agency or family member to assist an applicant, resident or program participant in meeting screening criteria or meeting essential lease obligations.

Aids, benefits, and services, to be equally effective, are not required to produce identical results for individuals with disabilities and non-disabled persons, but to afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

FUNDAMENTAL ALTERATIONS TO THE PROGRAM OR UNDUE FINANCIAL AND ADMINISTRATIVE BURDEN:

MDHA will deny reasonable accommodation requests which would require a fundamental alteration in the nature of its programs, services or activities, or which would create an undue financial and administrative burden or which are neither reasonable nor necessary. Determining a requested accommodation to be a fundamental alteration does not eliminate MDHA's compliance responsibilities. If a requested action would result in a fundamental alteration or undue financial and administrative burden, MDHA may take another action that would not result in a fundamental alteration but would nevertheless ensure that the person would have an equal opportunity to receive the program benefits and services. MDHA's determinations with respect to fundamental alterations will be made on a case- by-case basis.

ESSENTIAL OBLIGATIONS OF TENANCY:

To help identify fundamental operations in the programs, six essential obligations of tenancy are listed below:

1. To pay rent and other charges under the lease in a timely manner;
2. To care for and avoid damaging the unit and common areas; to use facilities and equipment in a reasonable way; to create no health or safety hazards and to report maintenance needs;
3. Not to interfere with the rights and enjoyment of others and not to damage the property of others;
4. Not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff; not to engage in drug-related criminal activity on or off the premises (for Public Housing, Section 8 Moderate Rehabilitation, Section 8 Housing Choice Voucher (Section 8 Voucher), and all applicable related programs);
5. To comply with all applicable US HUD regulations, and MDHA rules, and program requirements and documents, (including the MDHA Public Housing Conventional Lease and Community Policies and Section 8 HAP Contract) and to comply with health and safety codes; and
6. Actions that would change the essential obligations of tenancy.

TYPES OF ACTIONS CONSIDERED TO BE A FUNDAMENTAL ALTERATION:

Types of activities that would be considered to be a fundamental alteration to the program include but are not limited to:

1. Actions that require substantial modifications to, or elimination of, essential lease provisions, community policy provisions, or program eligibility or screening requirements based on the obligations of tenancy (e.g., admission of an unqualified family or family member);
2. Actions that require MDHA to add supportive services; e.g., counseling, medical, or social services, that fall outside the range of existing services offered by MDHA;
3. Actions that require MDHA to offer housing or benefits of a fundamentally different nature from the type of housing or benefits that MDHA offers; or
4. Actions that substantially impair MDHA's ability to meet its essential obligations as a landlord, as defined in the MDHA Conventional Public Housing Dwelling Lease (MDHA Lease). MDHA's obligations under the MDHA Lease include management, administration, maintenance, or other services required for the operation of the program or upkeep of the property.

REASONABLE ACCOMMODATION PROCEDURES:

Initial Reasonable Accommodation Procedures:

1. MDHA's *Reasonable Accommodation Request* form will be provided to all applicants as an attachment to MDHA's application when the waiting list is opened.
2. During any point in the application process, applicants may make written requests using the Reasonable Accommodation form or if they are unable to complete the form, make a verbal request for reasonable accommodations to the following address and/or by calling the phone number indicated below:

Attention: Manager, Applicant and Leasing Center (ALC)
Miami-Dade Housing Agency - ALC
2925 N.W. 18th Ave.
Miami, FL 33142
(305) 638-6464
Florida Relay TDD/TTY: (800) 955-8771

Prior to eligibility interviews, applicants will send completed reasonable accommodation forms, and make all related requests and inquiries to, the ALC Manager. Also during this period, the ALC Manager or designee will send all necessary forms, and process all reasonable accommodation forms, requests and inquiries.

Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests:

MDHA's Reasonable Accommodation Policies and Procedures, which includes the Reasonable Accommodation Request and Notice of Nondiscrimination on the Basis of Disability, will be posted in appropriate MDHA business offices listed on page 1. The Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request, and Reasonable Accommodation Information forms will also be provided at eligibility determination, move-in and recertification by the Site Manager (Public Housing) or MDHA Contract and Leasing Specialist (Section 8) or their designees. When the designated employee (see "Making a Reasonable Accommodation Request", page 11) provides these forms, the recipient must sign the Acknowledgement of Receipt of Reasonable Accommodation Documents form, a copy of which must be placed in the recipient's file.

Forms and letters have been developed for an applicant, resident or program participant to request a reasonable accommodation. These forms are listed in the Appendix and are explained in later sections of this policy.

Although the process for requesting a reasonable accommodation is standardized, each request will be treated uniquely. The results will be unique to the individual, the property, and/or circumstances involved. Whenever possible, reasonable accommodation decisions will be made in a timely manner, and both denials and agreements to make accommodations will be documented in writing. If applicable, forms and notifications will be provided to the applicants, residents or program participants in an accessible format (such as Braille, large print, or audio tape) upon request.

Any meetings required by this policy will be held at an accessible location. Auxiliary aids will be provided upon request, where necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of MDHA's programs and/or activities. Auxiliary aids are services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, MDHA's programs or activities and include, but not limited to, qualified sign language interpreters, telecommunication devices for deaf persons (TDD's), Braille materials, audio recordings, materials in large print, note takers, or assistive listening devices. If auxiliary aids are requested by any person, including but not limited to an applicant, resident or program participant, such accommodations shall be made available. This requirement is contingent upon the requestor having given prior notification to MDHA, e.g., on the application form in the case of an applicant, before any meetings held by MDHA, etc. A person requiring an auxiliary aid shall make their request to MDHA by providing a minimum of five (5) days advance notice. In most instances, this will allow sufficient time to provide these accommodations.

Appointments letters, notices of meetings, brochures and other MDHA communications inform applicants, residents and program participants of their rights to auxiliary aids and how to contact the MDHA staff person to whom these requests should be made. All MDHA staff persons receiving requests for auxiliary aids will record these requests on the "Auxiliary Aids Request" form.

If MDHA is not able to accommodate a disabled person who has requested an auxiliary aid, MDHA will take appropriate action, including, but not limited to, rescheduling any meetings.

The Miami-Dade County contract for sign language interpreter services has a 48-hour advance cancellation requirement. In order to ensure compliance with this cancellation policy and prevent charges in full if the requirement is not met, the requestor will be required to notify staff or the County no less than 72 hours in advance if he/she anticipates not being able to attend the scheduled activity.

MDHA will schedule sign language interpreters when a request is received at least five (5) days prior to any scheduled activity.

Making a Reasonable Accommodation Request:

Applicants, residents and program participants may make a reasonable accommodation request at any time. If the applicant/resident/program participant is unable to complete any of the following reasonable accommodation forms (Request Forms): *Reasonable Accommodation Request*, *Live-in Aide Agreement*, or *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Public Housing Only) forms, the request will still be considered. If the applicant/resident/program participant is unable to complete any of the Request Forms, the Eligibility Interviewer, Site Manager, Contract and Leasing Specialist, or other designated employee must offer assistance and, upon consulting with the applicant, resident or program participant, complete the Request Forms to the best of his or her ability for record-keeping purposes. The designated employee must review the completed Request Forms, as appropriate, with the applicant, resident, or program participant. The designated employee must ensure that all reasonable accommodation requests are written on the applicable forms, no matter how the requests are communicated. The designated employee shall not give any assurances to the applicant, resident, or program participant that the request for reasonable accommodation will be granted or denied, but shall convey to the applicant, resident, or program participant that the requests will be reviewed and a final determination will be made at

a later date described within this policy. If the accommodation is reasonable, MDHA will consider the request.

The general procedures for making a reasonable accommodation request (subsequent to application process) are as follows:

1. At the eligibility determination phase, the Eligibility Interviewer, Contract and Leasing Specialist or other designated employee shall provide the *Notice of Right to a Reasonable Accommodation*, *Reasonable Accommodation Request* (which includes an attachment entitled "Examples of Reasonable Accommodations") and *Reasonable Accommodation Information* forms. The designated employee must obtain the signature of the applicant on the *Acknowledgement of Receipt of Reasonable Accommodation Documents* form indicating that he or she has received these forms. That form must be kept in the applicant's file. The Eligibility Interviewer, Contract and Leasing Specialist or other designee is the person to whom requests should be submitted at this phase. The designated employee shall also read a script entitled *Reasonable Accommodation Script* (see Appendix section, form number 14) that clearly and simply indicates what a reasonable accommodation is and the fact that an applicant, resident or program participant has a right to a reasonable accommodation. The designated employee shall ask all applicants if they want to designate a contact person if needed to assist them because of their disability.
2. The Site Manager, Contract and Leasing Specialist or designated employee will notify all Public Housing residents/Section 8 program participants of their right to request a reasonable accommodation by providing them with the *Notice of Right to a Reasonable Accommodation*, *Reasonable Accommodation Request*, and *Reasonable Accommodation Information* forms during move-in and recertification. They will also be notified that they may obtain additional *Reasonable Accommodation* forms from the designated employee at any time.
3. Applicants, residents, and program participants will submit all requests for reasonable accommodation to the designated employee as appropriate (see paragraphs 1 and 2 above) on the Request Forms and will obtain the Request Forms from those employees. Applicants, residents, and program participants will also obtain the Authorization for Release of Information from the designated employees as appropriate (see paragraphs 1 and 2) and return completed copies of these release forms to those same employees. If applicants, residents or program participants cannot use or complete a form because of their disability, the designated employee will still respond to their requests for reasonable accommodation and assist the applicant, resident or program participant in completing and using the form.
4. MDHA shall assure that all medical records or any other documents related to the medical condition of the applicant, resident or program participant are protected from disclosure pursuant to all applicable federal and state laws, including but not limited to the Health Insurance Portability and Accountability Act of 1996 and Chapter 119 of the Florida Statutes (Public Records Law). All documents regarding the medical condition of applicants, residents, and program participants must be stored in secure, locked cabinets in the offices of the Applicant and Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager or Section 8 Tenant Selection Supervisor (as applicable). Medical documents must never be stored with applicant or tenant files. Access to medical documents and information is restricted solely to those employees

who must have access to that information in order to provide a reasonable accommodation. This may include the ADA Coordinator, Applicant and Leasing Center Chief (for applicants), Regional Managers (for Public Housing residents), and Tenant Selection Supervisors (for applicants and Section 8 program participants).

5. Within two (2) business days of receipt of the Request Form, the Eligibility Interviewer (for applicants), Site Manager (for Public Housing residents), Contract and Leasing Specialist (for Section 8 Moderate Rehabilitation applicants and for Section 8 program participants) or other designated employee will fax a copy of the Request form and the following Verification Forms (as applicable) to the verification source indicated on the Request Form to verify disability and document the need for the reasonable accommodation: *Reasonable Accommodation Verification*, *Letter to Verification Source for a Reasonable Accommodation Request*, and *Live-in Aide Agreement/Live-in Aide Verification*. The fax notifies the verification source that the completed Verification form must be returned to the designated employee within ten (10) business days and that failure to do so may result in the request being denied.
6. Within two (2) business days of receipt of the Request Form the designated employee will also forward this form to the ADA Coordinator for monitoring purposes.
7. The designated employee places a follow up call to the verification source within one (1) business day of faxing the documents to confirm receipt of the documents. If the forms have not been returned to the designated employee within five (5) days of being sent, the designated employee faxes a reminder to the verification source that the completed Verification form must be returned to the designated employee within five (5) business days and that failure to do so may result in the request being denied. If the Verification form is returned within ten (10) business days of being sent, proceed to step 8 (below). If the verification source does not return the Verification form within ten (10) business days of being sent, the designated employee forwards this information to the Applicant and Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager, Section 8 Tenant Selection Supervisor or other designated supervisor who must forward the documents to the ADA Coordinator with their recommendation for denial.
8. Within two (2) business days of receipt of the completed Verification Form and any supporting documentation, the designated employee will forward the applicant's, resident's, or program participant's Request Form, Verification Form, and any supporting documentation to the designated supervisors in a sealed envelope.
9. The following forms may be used by the designated supervisor (see item 6, above) to communicate with applicants, residents or program participants and verification sources regarding Request and Verification Forms: *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation* (if applicable), *Request for More Information or Verification Regarding a Reasonable Accommodation Request*, or *Letter to Verification Source for a Reasonable Accommodation Request* (as applicable).
10. Should the designated supervisor determine that the Verification Form is incomplete or lacking in adequate detail, the designated supervisor will fax the form to the verification source within two (2) business days of receipt. The fax will indicate the necessary changes, and advise the verification source that the necessary changes must be incorporated and the corrected form must be returned within ten (10) business days. The fax also informs the verification source that failure to return the corrected form within

the allotted time may result in the request being denied. The designated supervisor will place a follow-up phone call within one (1) business day of sending the fax to confirm receipt. The designated supervisor will send a reminder fax within five (5) business days of sending the fax should the documents fail to be returned within that time, again informing the verification source that failure to return the corrected form within the allotted time (five (5) days) may result in the request being denied. If the verification source returns the corrected Verification Form within ten (ten) business days, proceed to the decision processes outlined in items 11 and 12 below. Should the verification source fail to return the corrected Verification Form within the allotted ten (10) business days, the designated supervisor will forward all Request and Verification Forms and any other applicable documents to the ADA Coordinator with recommendation that the reasonable accommodation request be denied for lack of proper verification, but that the request will be reconsidered should the requestor wish to resubmit it.

11. All decisions of the designated supervisors to grant reasonable accommodations will be communicated in writing (or in the appropriate, accessible format as previously indicated) to the applicant, resident or program participant and the ADA Coordinator within ten (10) business days of their receipt of correctly completed Request and Verification Forms via the *Approval/Denial of Reasonable Accommodation Request* form. The *Approval/Denial of Reasonable Accommodation Request* (Approval/Denial) form also advises the requestor of a projected date (if that can be estimated at the time of approval) by which MDHA intends to provide the accommodation and indicates a phone number for the requestor to call in case of questions. If necessary, the ADA Coordinator is available for consultation on these matters. All requests for reasonable accommodation that are approved by the designated supervisors will be implemented or the process of implementation will begin within fourteen (14) days. If the implementation or the initiation of implementation should be longer, the requestor will be notified in writing within fourteen (14) days with an estimated date of completion.
12. All recommendations by the designated supervisor to deny reasonable accommodation requests must be reviewed by the ADA Coordinator prior to being released to the requestor. The designated supervisor will transmit his or her recommendations to deny reasonable accommodation requests to the ADA Coordinator within ten (10) business days of their receipt of the Request and Verification Forms. All decisions of the ADA Coordinator to grant or deny reasonable accommodation requests will be communicated in writing via the *Approval/Denial of Reasonable Accommodation Request* form (or in the appropriate, accessible format) to the applicant, resident, or program participant within thirty (30) business days receipt of the designated supervisor's recommendation, the Request and Verification Forms, and all other supporting documentation. Should the requestor wish to contest any adverse action pursuant to the Reasonable Accommodation Grievances and Appeals section (see page 17), he or she may do so by requesting a Reasonable Accommodation Grievance or Appeal Hearing (Hearing). The *Approval/Denial of Reasonable Accommodation Request* form provides information regarding MDHA's grievance/appeals procedure. If the person who wishes to contest an adverse action is unable to do so by written means because of his or her disability, MDHA will consider alternate means by which the person may communicate the appeal. Should the requestor wish to contest the Reasonable Accommodation Grievance or Appeal Hearing Committee's decision, he or she may do so by following the *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990* referenced on page thirty-six (33) of these policies.

13. See the “Reasonable Accommodation Grievances and Appeals” section on page 17 for additional information.

All forms must be date- and time-stamped by the MDHA employees who receive them.

Determining Whether to Provide the Accommodation:

1. The first step in determining whether to provide the accommodation is to verify whether the party requiring the accommodation meets the definition of an Individual with Disabilities. The designated supervisors will determine this by using the applicable Verification Form(s) received from verification source.
 - a. If NO, MDHA is not obligated to make a reasonable accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 2.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or a applicant/resident/program participant (as applicable) about this request, using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or a meeting or discussion will be requested to obtain additional information using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
2. The second step is to verify that the requested accommodation is related to the disability (for example, if a person (who was the only household member) had a disability but no mobility impairment, and requested a wheelchair-accessible dwelling, the requested accommodation would not be related to the disability). The designated supervisor will determine this by using the applicable Verification Form(s) received from verification source.
 - a. If NO, MDHA is not obligated to make the accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 3.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or a applicant/resident/program participant (as applicable) using the *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
3. Is the requested accommodation reasonable? The Guidelines For Determining Reasonableness listed below will be followed by the designated supervisor in determining the reasonableness of the request.
 - a. If YES, MDHA will approve the request for reasonable accommodation. A written description of the accommodation will be included in the approval letter.

- b. If NO, MDHA may deny the request or may suggest/offer another alternative accommodation if appropriate. The denial or suggestion/offer will be made in writing (in an accessible format, if requested). All denials must be submitted to the ADA Coordinator for review prior to release to the requestor.
- c. If more information is needed, the designated supervisor must either write for more information and notify the verification source and/or applicant/resident/program participant (as applicable) using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* forms, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.

Guidelines for Determining Reasonableness:

1. The purpose of the Verification Forms is to verify:
 - a. That the requestor is a person with disability;
 - b. That the requested accommodation is related to the applicant's, resident's, or program participant's disability; and
 - c. That the requested accommodation would (or will) provide the applicant/resident/program participant with an equal opportunity to use and enjoy MDHA housing programs.
2. MDHA retains the right to investigate alternatives to the requested accommodation, and/or alternative methods of providing the requested accommodation.
3. If an alternate accommodation satisfies the needs of the person with disabilities and is equally effective, MDHA may select the accommodation that is most convenient and cost-effective. MDHA will take the preferences of the applicant/resident/program participant into consideration in making such a determination. An alternative accommodation may include a change in procedure or policy, rather than a structural change, when the policy or procedure change would be equally effective. Under any circumstance, the requestor would still have a right to request an additional accommodation should the alternate accommodation proves unsatisfactory. The requestor retains the right to request an additional accommodation as needed.
4. If the requested accommodation constitutes a fundamental alteration to any MDHA program, and there are no other appropriate solutions, the request will be denied, and the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute a fundamental alteration. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.
5. If the requested accommodation creates an undue financial and/or administrative burden, and there are no other appropriate solutions, the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute an undue financial and/or

administrative burden. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.

Reasonable Accommodation Grievances and Appeals:

If an applicant, resident or program participant disagrees with a reasonable accommodation decision, he or she may request a Reasonable Accommodation Grievance and Appeal Hearing by submitting a request which may be written, oral or by any other means of communication accessible by the requestor. The name, address and phone number of the contact person for scheduling a Reasonable Accommodation Grievance and Appeal Hearing is:

Daniel Howe, ADA Coordinator
1401 N.W. 7th Street, Building F
Miami, Florida 33125
(305) 644-5187 (office)
Florida Relay Service: (800) 955-8771 (TDD/TTY)

MDHA's Reasonable Accommodation Grievance and Appeal Hearing Committee shall convene the grievance or appeal hearing within thirty (30) business days of the receipt date of the request. The Reasonable Accommodation Grievance and Appeal Hearing Committee is composed of the members of the Section 504/ADA Policy Committee appointed by the MDHA Director. The Section 504/ADA Policy Committee members are MDHA Division Directors and other applicable staff whose responsibilities include matters related to Section 504/ADA. No MDHA employee who was involved in the initial decision(s) regarding a reasonable accommodation request that is the subject of a hearing shall sit on MDHA's Reasonable Accommodation Grievance and Appeal Hearing Committee during the hearing related to that request.

The applicant, resident or program participant may bring documents, witnesses and/or representatives to the Reasonable Accommodation Grievance and Appeal Hearing in order to contest the manner in which a reasonable accommodation is proposed to be (or was) implemented, the denial of a reasonable accommodation request, or any other applicable disability-related decision made by the ADA Coordinator.

Should the requestor wish to contest the Reasonable Accommodation Grievance and Appeal Hearing Committee's decision, he or she may do so by following the Miami-Dade County ADA Grievance Process (referenced on page thirty-six (33)).

Discontinuation of Reasonable Accommodation:

MDHA will not change or discontinue a reasonable accommodation, or a particular method of providing such accommodation, without giving notice. Notice of the change or discontinuation of a reasonable accommodation will be given to the applicant, resident or program participant with disabilities and it will include a request for the resident to indicate if the change would not meet his or her needs, and notification that the resident has the right to appeal the decision to change or discontinue the accommodation.

Application and Waiting List:

The application and/or application instruction forms for all Public Housing, Section 8 Housing Choice Voucher and Section 8 Moderate Rehabilitation programs shall include the following:

1. Notice that if the applicant is unable to complete the application due to disability, or needs the form in an alternate format, he or she may request such assistance.
2. Notice of the manner in which the applicant should request the required assistance as described in the item above.
3. A question prompting the applicant to indicate whether he or she or a member of the household has a disability.
4. A question prompting the applicant to indicate any special features a household member requires in a rental unit because of disabilities.

In the Public Housing and Moderate Rehabilitation programs, priority for a vacant unit with accessibility features will be given first to current residents who require those features, and then to applicants requiring the same. If there is no other resident or applicant on the waiting list needing units with accessibility features, MDHA may house the next eligible, non-disabled applicant in the unit. MDHA will also inform the applicant that pursuant to MDHA's policy and MDHA's Public Housing Lease, if another resident or eligible applicant requires the accessible features of the accessible unit, and another unit is available, then the non-disabled family/individual residing in the unit with accessible features must transfer to another unit within fifteen (15) days receipt of notice to move.

Notwithstanding MDHA's policies, residents who require a transfer as a reasonable accommodation are not prohibited from transferring within the first year of residency.

In addition, MDHA may grant an exception to its Occupancy Policies (set forth in the Section 8 Administrative Plan (Admin Plan) and the Public Housing Admissions and Continued Occupancy Plan (ACOP)) by providing a larger unit as a reasonable accommodation to a family member with disabilities.

MDHA may allow an applicant or program participant family to have an extra bedroom to accommodate a family member who requires certain medical equipment or for other verifiable reasons. The need for such equipment must be verified by a qualified health care professional as a necessary reasonable accommodation.

MDHA may grant reasonable accommodations by reinstating applicants with disabilities, who fail to respond within the required time frame to inquiries regarding updating the waiting list, if the reason they did not respond is reasonably related to their disability. MDHA may grant reasonable accommodations by reinstating applicants with disabilities for other reasons on a case-by-case basis.

Mitigating Circumstances:

General failure to comply with lease terms or other program policies may lead to termination or denial of assistance.

The ACOP and Admin Plan indicate that MDHA Public Housing residents or family members and Section 8 program participants shall comply with all lease terms including but not limited to:

- Any violent criminal activity,
- Any drug-related criminal activity, or
- Other activities in violation of the lease.

MDHA staff may become aware that an applicant's ineligibility determination, or a resident's or program participant's termination of assistance determination, occurred because of his or her disability. This knowledge may be acquired during an informal review for applicants or during an informal hearing for residents or program participants. This section addresses this issue.

If an applicant, resident or program participant has a history of behavior or displays behavior that may result in a violation of the MDHA Lease or in violation of program regulations or policies, the MDHA Tenant Selection Supervisor (Supervisor), Regional Manager or other designated employee may make an initial determination that the applicant is ineligible or that the resident or program participant should be terminated.

The notices of ineligibility (for applicants) or termination of assistance (for residents and program participants) inform applicants of their right to request an informal review or residents and program participants of their right to an informal hearing.

During the informal review or hearing, if the applicant, resident or program participant informs the Hearing Officer that a requested reasonable accommodation may enable the applicant to become lease compliant, the Hearing Officer will forward the reasonable accommodation request to the ADA Coordinator and continue the informal review until the ADA Coordinator renders his or her determination.

Applicants may appeal the ADA Coordinator's determination according to the processes described in the Reasonable Accommodation Grievance and Appeals section on page 17.

Disability-Related Activities and Reasonable Accommodations Unique to the Section 8 Program:

MDHA will do or allow the following:

1. MDHA will encourage participation in the Section 8 Voucher program by owners, including encouragement of participation by owners having accessible units.
2. The MDHA Section 8 Contract and Leasing Specialist (Specialist) or designee will furnish a current listing of available accessible units known to MDHA to all families that include a person with a disability and, if necessary, otherwise assist the family in locating an available accessible dwelling unit in an accessible environment, to the extent feasible.

3. The Specialist or designee will take into account the special problem of ability to locate an accessible unit in an accessible environment when considering requests by eligible individuals with disabilities for extensions of Section 8 Vouchers.
4. The Specialist or designee will allow Section 8 Voucher holders to request a reasonable accommodation, in the form of an extension of the issued Voucher beyond 120 days, by following the standard reasonable accommodation request procedure. Approvals of voucher term extensions beyond 120 must be consistent with the Admin Plan.
5. MDHA may, if necessary as a reasonable accommodation for an individual with a disability, approve a family's request for an exception payment standard amount under the Housing Choice Voucher Program so that the program is readily accessible to and usable by individuals with disabilities. See 24 C.F.R. §§ 8.28 and 982.504(b)(2).
6. Upon request by an applicant, participant, or their representative, MDHA will ask the HUD Field Office for an exception payment standard up to 120% of the Fair Market Rent (FMR). However, the applicant, participant or the representative, must provide documentation of the need for the exception payment standard to MDHA.
7. In exceptional cases, MDHA may ask the Assistant Secretary for Public and Indian Housing of HUD for an exception payment standard amount over 120% of the FMR, provided the applicant, participant or the representative provides the appropriate supporting documentation.
8. Upon request, the Supervisor or designee may allow a higher utility allowance as reasonable accommodation for a person with disabilities, if appropriate.
9. The Supervisor or designee shall deny participation of units when the owner is the parent, child, grandparent, grandchild, sister or brother of any member of the participant family, unless the Supervisor or designee determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. The process by which a participant family may request such accommodation is described on pages 11 through 15. All initial recommendations to deny reasonable accommodation requests must be reviewed by the ADA Coordinator for final determination.
10. Annual recertifications shall be conducted at the offices of the MDHA Private Rental Housing Division. If a housing program participant is unable to come to the office for the recertification due to disability, the Supervisor or designee may allow, on a case-by-case basis, and at the request of the program participant, the program participant to be reexamined either by mail or by an at-home visit.
11. The Supervisor or designee will take into consideration the interests of persons who are disabled in making decisions as to which family member shall assume the application if the family divides.
12. Permitting requests for extensions of Section 8 Vouchers may be allowed if there is a difficulty in locating a unit with suitable accessible features or otherwise appropriate for the family.

MDHA PUBLIC HOUSING ASSISTIVE ANIMAL POLICY:

Assistive animals are also referred to as service animals, support animals or therapeutic animals. They give assistance to persons with disabilities and are necessary as a reasonable accommodation.

Animals **do not** have to be trained to be assistive animals. An animal not trained to be an assistive animal, yet prescribed to provide emotional support to improve a person's symptoms caused by chronic mental illness, is also an example of an assistive animal. In addition, a seeing-eye dog or a dog trained to assist a hearing impaired person would also be examples of assistive animals.

MDHA will not charge a pet deposit for an assistive animal kept in accordance with all MDHA policies and housed in a development or building owned by Miami-Dade County and administrated by MDHA. All residents are, however, responsible for reimbursing the appropriate parties should their assistive animal cause damage to the unit, the common areas and elements or to any other the property of the residents in a development or building owned by Miami-Dade County and administrated by MDHA, including but not limited to the property occupied by other residents of the public housing development or other property owned by Miami-Dade County and administrated by MDHA.

MDHA will also not apply its animal weight policy or any other policy which will unreasonably deny a disabled applicant, resident or program participant, who requires an assistive animal, the full use and enjoyment of his or her dwelling or the common areas.

The MDHA Regional Manager or designee will use the following steps when considering a request for an assistive animal as a reasonable accommodation:

1. Public housing applicants who have received public housing offers, and public housing residents may use the *Reasonable Accommodation* form to request an assistive animal as a reasonable accommodation.
2. Public housing applicants who have received public housing offers, and public housing residents use the *Reasonable Accommodation Verification* to obtain verification that the person for whom the assistive animal is requested is a person with a disability as defined in Section 504, the ADA and the Fair Housing Act regulations and that the requested animal is needed to assist with the disability.
3. Refer to the information in the section entitled "Making a Reasonable Accommodation Request" on pages 11 through 15 of these policies and procedures for the steps in processing these and other reasonable accommodation requests.
4. Compliance with the assistive animals policies will be required to the extent feasible without violating the individual's rights to have an assistive animal.
5. The assistive animal owner shall be responsible for the animal's care and the animal must be kept according to MDHA's Lease and Community Policies.
6. If the animal or its care subsequently poses a public health problem or results in a lease violation, the problem will be addressed, under the terms of the MDHA Lease and

Community Policies. In such a case, the MDHA Site Manager or designee may send the resident a Notice of Lease Violation.

Residents may contact Danny Howe, ADA Coordinator at (305) 644-5187 (phone) or (305) 644-5343 (TDD/TTY) with any questions regarding this matter.

SECTION 8 ASSISTIVE ANIMAL POLICY:

Section 8 owners are required to comply with all applicable federal, state and local laws that protect the rights of the disabled. Accordingly, where Section 8 tenants require assistive animals as a reasonable accommodation, Section 8 owners may not require the owners of assistive animals to pay pet deposits, neuter their animals, or adhere to limits on the weight, size, and number of assistive animals.

Section 8 tenants may contact Danny Howe, ADA Coordinator at (305) 644-5187 (phone) or (305) 644-5343 (TDD/TTY) with any questions regarding this matter.

LIVE-IN AIDES:

A live-in aide is a person eighteen (18) years of age or older who resides with one or more elderly (at least sixty-two (62) years of age), near-elderly (at least fifty (50) years of age but below sixty-two (62) years of age), or disabled (see the definition of a person with disabilities on page 4) person(s) and who is determined to be essential to the care and well-being of the person; is not obligated for the support of the person; and would not be living in the unit except to provide the necessary supportive services. A relative may be considered a live-in aide, but must meet all the criteria listed herein. Persons with children or spouses may, on a case-by-case basis, be allowed to serve as Live-in Aides.

Requests for live-in aides are subject to the foregoing policies. The two forms discussed below replace the Reasonable Accommodation Request and Reasonable Accommodation Verification forms (respectively) for purposes of requesting a live-in aide as a reasonable accommodation.

1. The *Live-in Aide Agreement* is the form on which:

- a. The head of household shall request the live-in aide. The requestor may make this request for him or herself, or for a household member.
- b. The requestor provides the designated employee with information related to the request and the live-in aide.
- c. The requestor shall provide the designated employee with the name and contact information of the verification source from whom the requestor is obtaining verifications and other information essential for obtaining a live-in aide.

2. The *Live-in Aide Verification* is the form on which:

- a. The verification source verifies that the person for whom the Live-in Aide is being requested qualifies for, and requires, the live-in aide. The verification source must also verify that the live-in aide is qualified to provide the appropriate services to the household member.

The designated employee faxes the *Live-in Aide Verification* form to the verification source to help ensure the form is filled out by the designated verification source.

The designated employee may approve a written request for a live-in aide upon receipt of verification documentation including, but not limited to, completed *Live-in Aide Agreement* and *Live-in Aide Verification* forms. If the designated employee approves, or the ADA Coordinator denies, the request for a live-in aide, he or she will inform the requestor by means of the Approval/Denial of Reasonable Accommodation Request form.

The live-in aide may live in the unit solely to care for the family member and qualifies for occupancy only for as long as the individual requires the supportive services and is living in the unit. MDHA shall deny occupancy of the unit to the live-in aide after the tenant, resident or program participant, for whatever reason, is no longer living in the unit.

A relative may be considered as a live-in aide but must meet all the criteria outlined in this section and must be qualified to provide care for the family member. The tenant and the live-in

aide shall acknowledge that the live-in aide does not have any right to the unit and does not qualify for continued occupancy as a remaining family member by signing the *Live-in Aide Agreement* (which shall become an addendum to the tenant's/resident's lease).

The ADA Coordinator may deny the live-in aide request of a person who does not meet the admission criteria described in the Admin Plan and the ACOP. The process by which applicants, residents and Section 8 program participants may appeal a denial of a live-in aide request, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section (see page 17).

TRANSFERS:

The reasonable accommodation policies mentioned throughout this document apply to transfers based on a request for reasonable accommodation. Transfers based on a request for reasonable accommodation in Section 8 Moderate Rehabilitation and Public Housing programs shall be documented in the same manner (as indicated throughout this policy) as other reasonable accommodation requests are documented (e.g. a *Reasonable Accommodation Request* form must be filled out). The only additional requirement is that, in addition to the aforementioned, the Public Housing requestor must complete and submit a Request for Transfer form.

In Public Housing, MDHA shall not require, or recommend as an alternative, that a resident with a disability must accept a transfer instead of providing some other reasonable accommodation. However, if a public housing resident with a disability requests dwelling unit modifications that involve structural changes, including, but not limited to widening entrances, rooms, or hallways, and there is a vacant, comparable, appropriately-sized UFAS-compliant unit in that resident's development, an adjacent development, or a development to which the resident has expressed a willingness to move, MDHA may offer to transfer the resident to the vacant unit in her/her development or adjacent development instead of providing structural modifications. However, if that resident rejects the offered transfer, MDHA shall make modifications to the resident's unit unless doing so would be structurally impracticable or would result in an undue financial and administrative burden or would result in a fundamental alteration to a MDHA program, service or activity. MDHA shall inform applicants, residents and Section 8 program participants whether their transfers, structural modifications, and all other reasonable accommodations are granted by means of the Approval/Denial of Reasonable Accommodation Request form.

If the resident accepts the transfer, MDHA will work with the resident to obtain moving expenses from social service agencies or other similar sources. If that effort to obtain moving expenses is unsuccessful within thirty (30) days of the assignment of the dwelling unit, PHA shall pay the reasonable moving expenses, including utilities fees and deposits. MDHA will select the moving service vendors and disburse payments to them. Nothing contained in this paragraph is intended to modify the terms of MDHA's Tenant and Assignment Plan and any resident's rights hereunder.

FORMER USERS OF ILLEGAL DRUGS:

Under the Fair Housing Act, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act, a former user of illegal drugs (recovered or now in recovery) is considered to be a person with disabilities and is protected against discriminatory treatment, but persons engaged in current illegal use of controlled substances are not protected.

The term "person with a disability" includes an individual who:

1. Has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully and is no longer engaging in such use;
2. Is participating in a supervised rehabilitation program and is no longer engaging in such use; or
3. Is erroneously regarded as engaging in such use, but is not engaging in such use.

Anti-discrimination laws protect individuals who have a history of illegal use of a controlled substance or addiction and do not engage in the current illegal use of a controlled substance if they can otherwise meet the definition of a person with a disability.

When an individual claims recovery, the designated employee will require the person to present evidence of recovery from a qualified, neutral third party. The designated employee may require a family member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to being allowed to reside in a unit owned and managed by MDHA or as a condition to being allowed to participate in other MDHA housing programs. If it is determined that the individual "has recovered or is in recovery" and is thus a "person with a disability," the designated employee will consider requests for reasonable accommodations.

The designated employee will require the individual to provide documentation that would convince a reasonable person that the applicant/resident is not a current user of illegal drugs.

Documentation that an applicant/resident/program participant is not a current user of illegal drugs could include:

1. Verification from a reliable drug treatment counselor or program administrator, or other party acceptable to the designated employee, indicating:
 - a. that the applicant/resident/program participant is/has been in treatment;
 - b. that there is a reasonable probability of success in refraining from the use of illegal drugs;
 - c. that the applicant/resident/program participant is complying/has complied with the requirements of the treatment program; that the applicant/resident/program participant is not currently a user of illegal drugs; and
 - d. the period of time the applicant/resident/program participant has not been using drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or

2. Verification from a probation or parole officer:

- a. that the applicant/resident/program participant has met or is meeting the terms of probation or parole;
- b. is not currently a user of illegal drugs;
- c. and for what period of time the applicant/resident/program participant has not been using illegal drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or

3. Verification from a third party/parties, indicating:

- a. that the applicant/resident/program participant is not currently using illegal drugs and
 - b. for what period of time the applicant/resident/program participant has not been using illegal drugs;
4. Description of the relationship between the third party/parties and the applicant/resident/program participant (verifications will not be accepted from the applicant's/resident's relatives); and
5. Description of how the third party/parties know(s) the status of whether the applicant/resident/program participant is currently using illegal drugs.

When an applicant/resident/program participant has a history of drug rehabilitation/treatment followed by recidivism, or is currently in treatment (as opposed to having completed treatment), more documentation may be necessary to convince a reasonable person that the applicant/resident/program participant is not a current user of illegal drugs.

The applicant/resident/program participant may be required to show in what ways:

1. His or her current situation, and
2. His or her claim to be a former illegal user of a controlled substance, and
3. His or her claim to be able to comply with the essential terms of the MDHA Lease or other housing program requirements is different from previously unsuccessful efforts to stop illegally using a controlled substance.

In all situations in which an applicant/resident claims to be a person with a disability due to former illegal drug use, the designated employee will determine the reliability and validity of information/verifications provided with the request for reasonable accommodation. The designated MDHA employee will make a determination approving or denying the reasonable accommodation request and a determination of eligibility for housing assistance accordingly.

ALCOHOLISM:

MDHA will not discriminate against any person solely because he or she is a person with the disability of alcoholism. The designated employee will, however, deny admission to an applicant, terminate assistance to a participant or terminate the tenancy of a resident, who MDHA has reasonable cause to believe will behave in a manner that will interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents, other tenants, or MDHA personnel. The term "reasonable cause to believe" shall be determined on a case-by-case analysis. MDHA may evaluate whether a person poses – or would pose – a direct threat to the health or safety of others.

MDHA will make determinations of direct threat based on the following guidelines described in the following statement from the May 17, 2004 *Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Reasonable Accommodations Under the Fair Housing Act*:

A determination that an individual poses a direct threat must rely on an individualized assessment that is based on reliable objective evidence (e.g., current conduct, or a recent history of overt acts). The assessment must consider: (1) the nature, duration, and severity of the risk of injury; (2) the probability that injury will actually occur; and (3) whether there are any reasonable accommodations that will eliminate the direct threat. Consequently, in evaluating a recent history of overt acts, a provider must take into account whether the individual has received intervening treatment or medication that has eliminated the direct threat (*i.e.*, a significant risk of substantial harm). In such a situation, the provider may request that the individual document how the circumstances have changed so that he no longer poses a direct threat. A provider may also obtain satisfactory assurances that the individual will not pose a direct threat during the tenancy. The housing provider must have reliable, objective evidence that a person with a disability poses a direct threat before excluding him from housing on that basis.

MDHA will apply the same standard of performance and behavior to an individual with alcoholism as it applies to others. If any unsatisfactory performance or behavior is related to the disability of an applicant/resident/program participant, the behavioral manifestations of the condition may be taken into consideration in determining whether the applicant/resident/program participant is qualified. If unable to meet the tenancy requirements, the applicant/resident/program participant may be denied housing on that basis, provided any request for reasonable accommodation has been considered. The process by which applicants, residents and Section 8 program participants may appeal a denial of housing or program participation, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section (see page 17).

EMERGENCY EVACUATION:

This section only applies to the MDHA Public Housing program.

Public Housing program applicants (who have received public housing offers) and residents with disabilities must ultimately be responsible for their own safety. Thus, they may choose not to live above the ground floor because of possible inability to escape a fire. They must, however, be allowed to decide whether the living in an upper-floor dwelling unit outweighs whatever safety concerns may exist.

At move-in orientation and during recertification, the Site Manager or designee informs Public Housing program residents that with their consent, the Site Manager will provide information to the fire and police departments that identifies residents who will have special needs in case of an emergency evacuation. The Site Manager will only share this information with these parties if consent is given.

In emergency situations, and only insofar as is reasonably feasible, Site Managers or designees must contact fire and/or police departments and request emergency evacuations.

The site manager or designee will provide each resident with a copy of the *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Release) form at move-in and recertification. The Site Manager will maintain these forms confidentially in the Site Office files.

The site manager will provide the Release to the appropriate fire and police departments within 24 hours of receiving the form. In this way, the police and fire departments will be notified of the identities of the persons who release their information so that rescue workers know whom they must evacuate, where residents live, and any unique information the requestor has indicated as necessary to evacuate the resident in an emergency.

Buildings with more than four units or with units above the first floor shall have evacuation plans identifying escape routes and procedures to be followed in case of emergency, including procedures for notifying persons who are deaf or blind and for evacuating persons who can not climb stairs or may be disoriented. It is recommended that the evacuation plan be worked out with the local fire department.

OTHER MIAMI-DADE HOUSING AGENCY PROGRAMS AND SERVICES:

MDHA administers a number of programs and services (e.g. various programs for home repair/improvement loans, home purchasing loans, construction loans, etc.) in addition to those previously mentioned in this policy. MDHA will endeavor to ensure any person with disabilities who requests reasonable accommodation related to any MDHA programs and/or services are provided all such accommodations as is their right under federal, state, and local laws and regulations.

MIAMI-DADE COUNTY ADA GRIEVANCE PROCESS:

Should MDHA applicants, residents or program participants choose, they may follow the grievance process outlined in Attachment Three of Miami-Dade County Administrative Order Number 10-10 (see Appendix, *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*) instead of the process described in the "Reasonable Accommodation Grievances and Appeals" section on pages 17 of the MDHA Reasonable Accommodation Policies and Procedures. The Miami-Dade County grievance process serves "...as the County's mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA)."

A Public Housing resident may request a change in his or her current unit or a transfer to a unit that has already been changed (in the resident's development or another development). An applicant, resident, or program participant may request assistance with, or change in, a MDHA practice, rule, policy, procedure, program or service.

EXAMPLES OF REASONABLE ACCOMMODATIONS

MIAMI-DADE HOUSING AGENCY REASONABLE ACCOMMODATION REQUEST

The following list of reasonable accommodation methods are examples that may constitute reasonable accommodations for individual Miami-Dade Housing Agency (MDHA) applicants, residents, and program participants. These accommodations may not necessarily be "reasonable" for all individuals. In addition, each accommodation may not be available to every applicant, resident in every unit and/or in every development, and program participants.

Examples of Modifications Which Constitute A Reasonable Accommodation

Section 504 states that the design, construction or alteration of buildings in conformance with §§ 3-8 of the Uniform Federal Accessibility Standards (UFAS), Appendix A to 24 C.F.R. § 40, shall be deemed to comply with the requirements of 24 C.F.R. §§ 8.21; 8.22; 8.23 and 8.25. However, the UFAS citations noted below are provided as a reference to assist in providing a reasonable accommodation and are not intended to govern every request for a modification. In order to meet the individual's specific disability-related need(s), MDHA may need to deviate from the UFAS. In addition, the reference to a UFAS section does not require all elements in that section to be made accessible. Rather, only the specific reasonable accommodation item requested is required to be accessible per the needs of the individual requesting the reasonable accommodation.

However, some modifications may not be structurally feasible in all units or all developments; in addition, some modifications may represent an undue financial and administrative burden. In such situations, the requirement to provide a reasonable accommodation is not alleviated, but must be provided by some other means such as transferring a family with a disabled member to a unit/development where the reasonable accommodation can be provided. Nevertheless, MDHA will work with each qualified resident with a disability who requests a reasonable accommodation in order to identify a reasonable, effective and appropriate accommodation.

However, if a customer is unable to access his/her mailbox due to a disability, the customer may submit a request under the U.S. Postal Service’s “Hardship Clause” and request the relocation of the mailbox to a lower, accessible level. According to § 631.42 of the U.S. Postal Service “Postal Operations Manual”, the customer submits the “Hardship Clause” request directly to his/her postal delivery person; the delivery person then submits the request to his/her manager. The manager evaluates the individual request and takes appropriate action. If the postal service is unable to relocate the mailbox, the postal service may provide an alternate accommodation such as door delivery.

Move in of a live-in-aide must not result in overcrowding of the existing unit according to the maximum number of persons per unit standard; although a reasonable accommodation for a resident with a disability may be to move the family to a larger unit. If change in unit size is necessitated by this request, please indicate change in number of bedrooms: from ____ bedrooms, to ____ bedrooms;
2. Live-in aides must meet MDHA's screening requirements. The live-in-aide agrees to provide any information that MDHA deems necessary to conduct a criminal background screening. Permission to reside in the unit as a live-in-aide may be denied based on the results of this screening;
3. Before a live-in-aide may be moved into a unit, a third party verification must be supplied that establishes the need for such care and the fact that the live-in-aide is qualified to provide such care (Live-in Aide Verification form);
4. A live-in-aide is a single person. This agreement does not confer the right for any additional person, other than an approved live-in-aide, to reside in the household. As a reasonable accommodation for a resident with a disability, MDHA may review this provision on case-by-case basis, should this provision conflict with a resident's bona fide right to a live-in-aide;
5. If the household member requiring assistance no longer resides in the unit, the live-in-aide shall not remain on the premises. If the verification source determines that the live-in-aide is no longer essential to the care and well-being of the household member, this agreement will be terminated, and the live-in-aide shall vacate the unit within 14 days after MDHA has given reasonable notice to the household member requiring assistance that the verification source has made such determination;
6. If the household member requiring assistance passes away, the live-in aide shall vacate the unit within 14 days of said household member's death. If the household member requiring assistance moves out, the live-in-aide shall vacate the unit no later than said

**MIAMI-DADE HOUSING AGENCY
LIVE-IN AIDE AGREEMENT**

household member's departure date. Upon the termination of the live-in-aide's services for any other reason, the live-in-aide shall vacate the unit within 24 hours;

7. The Live-In Aide must be listed as a household member (not part of the family composition, regardless of the relationship) on the resident's lease and shall not violate any provisions of the lease, the Community Policies, or applicable laws. Should such violation occur, MDHA may require the resident to terminate the services of the live-in-aide or face possible termination of the lease;
8. MDHA will consider allowing relative live-in-aides under unusual circumstances and upon approval of the Director or his/her designee. Relatives who satisfy the definitions and stipulations above may qualify as live-in-aides, but by signing this agreement, they acknowledge their understanding that they are relinquishing all rights to the unit as the remaining member of a resident family, or under any other circumstance. If a relative wants to have remaining family status, his or her income will be considered as part of the family's annual income. In such a case, the relative will be considered an addition to the family composition who is allowed to be added as a reasonable accommodation, (not a live-in aide) as the income of a live-in aide must be excluded.

MIAMI-DADE HOUSING AGENCY REASONABLE ACCOMMODATION SCRIPT

This is to advise you, in simple terms, what a disability is, what a reasonable accommodation is, and the fact that people with disabilities have a right to ask for reasonable accommodations.

A disability is a physical or mental impairment that makes it difficult or impossible for you to do things like taking care of yourself, using your hands, walking, seeing, hearing, speaking, breathing or learning.

A reasonable accommodation is something Miami-Dade Housing Agency (MDHA) is required to give you or let you do to make it easier for you to get to and live in our housing, and participate in our programs.

Some things that must happen for you to get a reasonable accommodation, are for you to give MDHA enough information, if we need it, about whether you are a person with a disability and to give MDHA proof, if we need it, that you really need the reasonable accommodation you ask for.

Even if you don't have proof yet that you are a person with a disability, you have a right to ask for a reasonable accommodation.

Some things that might be a reasonable accommodation include:

- Being allowed to mail your rent to MDHA instead of going to the site or management office.
- Having someone from MDHA go to your house, instead of you having to go to an MDHA office, to get a service.
- Getting a ramp installed leading to your front or back door, having grab bars put in your bathroom, or having some other repair or change done to your home.
- Having a repair or change done to a laundry room, community center, management office or other building owned by MDHA so that you can go there and use the programs and services there.
- Having a sign language interpreter available upon request.
- Getting important MDHA papers in Braille or large print or on tape.

To get a reasonable accommodation, you must ask for it. If you can't write your request on the papers we have or need help filling them out, you can ask a MDHA employee for help.

MDHA will give you an answer as soon as possible.

MDHA will let you know if we need more information, or if there are other ways to meet your needs.

If MDHA turns down your request, MDHA will explain why, and you can provide more information if you think that will help. MDHA will also advise you of your appeal rights if your request is denied.

It is the policy of MDHA to protect all of your health information. This means that we cannot release your information without your written consent nor will we share this information with anyone who does not need to know your health information.

This material is available in an accessible format upon request. Please call Danny Howe, ADA Coordinator at (305) 644-5187 (phone) or (305) 644-5343187 (TDD).

REASONABLE ACCOMMODATION INFORMATION MIAMI-DADE HOUSING AGENCY

Miami-Dade Housing Agency (MDHA) is committed to making sure that its applicants, residents and programs participants have information for making reasonable accommodation requests. MDHA has posted a copy of its Reasonable Accommodation Policy and Procedures in conspicuous locations at the applicant, resident and program participant waiting areas of the MDHA Applicant and Leasing Center, Mobility Pool Center, Section 8 Offices, Regional Offices of the MDHA; the offices of MDHA's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of this Reasonable Accommodation Policy and Procedures, upon request, from MDHA's ADA Coordinator.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

Some examples of reasonable accommodations include (but are not limited to): grab bars installed in bathrooms, ramps installed at entrance doors of dwellings, using an assistive animal (also called a service, therapeutic, or support animal) such as a seeing-eye dog, visual and audible alarms for individuals who are deaf or hard of hearing, widening doorways, lever-type door hardware, live-in aids, transfers to another dwelling (with proof that this is needed because of disability), and being given MDHA documents in an accessible format like Braille or large print.

Use the following forms to request a reasonable accommodation and make sure you complete the forms to the best of your ability. By completing these forms you will help us understand how we can best assist you. If you are unable to do so, then please ask MDHA for assistance to complete the forms. Please be advised that in order for MDHA to assist you, we also need you to complete the *Authorization for Release of Information* form:

1. *Reasonable Accommodation Request*. This is used to make any request other than a request for a live-in aide.
2. *Live-in Aide Agreement*. This is used if you need a live-in aide. A live-in aide is someone who only lives in the unit to assist the resident or program participant who is elderly or is a person with a disability.

If you are a Public Housing or Section 8 Housing Choice Voucher program participant, and have not yet been determined eligible, you may request a *Reasonable Accommodation Request* form by writing to the Applicant and Leasing Center Chief or calling the Applicant and Leasing Center:

You can find out which team that is by calling (305) 250-5250.

A Public Housing resident may request a change in his or her current unit or a transfer to a unit that has already been changed (in the resident's development or another development). An applicant, resident, or program participant may request assistance with, or change in, a MDHA practice, rule, policy, procedure, program or service.

MDHA will work with the applicant, resident or program participant to determine how to provide the reasonable accommodation request. MDHA may require documentation to support the reasonable accommodation request(s).

EXAMPLES OF REASONABLE ACCOMMODATIONS

MIAMI-DADE HOUSING AGENCY REASONABLE ACCOMMODATION REQUEST

The following list of reasonable accommodation methods are examples that may constitute reasonable accommodations for individual Miami-Dade Housing Agency (MDHA) applicants, residents, and program participants. These accommodations may not necessarily be "reasonable" for all individuals. In addition, each accommodation may not be available to every applicant, resident in every unit and/or in every development, and program participants.

Examples of Modifications Which Constitute A Reasonable Accommodation

Section 504 states that the design, construction or alteration of buildings in conformance with §§ 3-8 of the Uniform Federal Accessibility Standards (UFAS), Appendix A to 24 C.F.R. § 40, shall be deemed to comply with the requirements of 24 C.F.R. §§ 8.21; 8.22; 8.23 and 8.25. However, the UFAS citations noted below are provided as a reference to assist in providing a reasonable accommodation and are not intended to govern every request for a modification. In order to meet the individual's specific disability-related need(s), MDHA may need to deviate from the UFAS. In addition, the reference to a UFAS section does not require all elements in that section to be made accessible. Rather, only the specific reasonable accommodation item requested is required to be accessible per the needs of the individual requesting the reasonable accommodation.

However, some modifications may not be structurally feasible in all units or all developments; in addition, some modifications may represent an undue financial and administrative burden. In such situations, the requirement to provide a reasonable accommodation is not alleviated, but must be provided by some other means such as transferring a family with a disabled member to a unit/development where the reasonable accommodation can be provided. Nevertheless, MDHA will work with each qualified resident with a disability who requests a reasonable accommodation in order to identify a reasonable, effective and appropriate accommodation.

According to § 631.42 of the U.S. Postal Service "Postal Operations Manual", the customer submits the "Hardship Clause" request directly to his/her postal delivery person; the delivery person then submits the request to his/her manager. MIAMI-DADE GRIEVANCE PROCESS AMERICANS WITH DISABILITIES ACT OF 1990

This grievance procedure shall serve as the County's mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA). This procedure shall not apply to complaints of discrimination in employment. Employment discrimination complaints are handled by the Affirmative Action Office.

Opportunity for Complaint

Any individual who feels that they have been discriminated against in the provision of a program or service operated by Miami-Dade County shall have the ability to file a formal grievance, have the grievance responded to, and have the right to request an appeal if they are dissatisfied with the resolution of their grievance. The procedures to be followed in filing a formal grievance shall be available and accessible to the general public.

Coordination of Procedure

The Miami-Dade County Office of ADA Coordination, 111 N.W. 1st Street, 12th Floor #348, shall be the agency responsible for coordinating the County's grievance procedure and will serve as the conduit between the grievant and the department against whom the complaint is made. The Office will provide the department with the necessary technical assistance needed in reaching resolution of the complaint. The Office will make all attempts to assist the department in reaching an amicable resolution to the complaint; however, the office of ADA Coordination shall have no authority to direct the department in the manner in which the department ultimately decides to respond to the complaint.

Employment discrimination complains should be sent to the Office of Fair Employment Practices, 111 N.W. 1st Street, Suite 2720.

Filing a Complaint

Any individual who feels they have been discriminated against in any program or service provided by Miami-Dade County, under provisions of the ADA, shall submit a complaint, in writing to the Office of ADA Coordination. This written complaint shall contain the following information:

5. Why the individual thinks that he has been discriminated against on the basis of a disability.

Complaint Resolution

Within five (5) days of receipt of the complaint, the Office of ADA Coordination shall:

1. Inform the department of the complaint; transmit a copy of the complaint to the department with general instructions as to the format which the department should follow in their response, and a date by which the department shall return a response to the Office. The Office of ADA Coordination will review the decisions with the department before final preparation of the response.
2. The department shall have thirty (30) days from receipt of complaint from the Office of ADA Coordination to respond to the complainant. Attempts will be made by the department to clarify the facts of the grievance. The actions taken by the department shall be conveyed to the grievant in writing. This letter, addressed to the grievant and signed by the Department, shall be transmitted to the Office of ADA Coordination within the specified time period. The response shall be mailed to the grievant by the Office of ADA Coordination with a cover letter informing the grievant of their ability to appeal the decision enclosed and the procedure which the grievant must follow in requesting an appeal. In no instance shall the Department mail their response directly to the grievant.
3. In the event that a complainant submits a written complaint to the operating department, the department shall send a copy of the complaint to the Office of ADA Coordination within five (5) days. That action will constitute a filing by the complainant with the Office of ADA Coordination as required in Section IV of this document. The Department will have thirty (30) days from receipt of written complaint to respond to complainant.
4. Where a department can solve a written complaint informally, the department will provide the Office of ADA Coordination a written statement explaining the mutually agreeable solution. It should be signed by the complainant and the department representative.

All reasonable attempts should be made by the department with the assistance of the Office of ADA Coordination to mediate and resolve the grievance.

Filing an Appeal

Any individual who is dissatisfied with the recommended resolution of their complaint may request an appeal. In requesting an appeal the individual shall, within fifteen (15) days from the date of the written recommended resolution offered by the County, submit in writing to the Office of ADA Coordination their request to appeal the decision and express their willingness to appear before an impartial panel to present their grievance.

Appeal Process

Upon receipt of a written request for an appeal, the Office of ADA Coordination shall:

1. Notify the County Manager and request that within thirty (30) days he appoint a panel of three (3) senior members of unaffected County departments to hear the complaint. The Manager shall designate one of the three panel members to serve as chairperson.
2. Set a time and place for the hearing that is convenient to the grievant, the affected department and the panel members, within twenty (20) days after the panel is appointed, if possible.
3. Instruct the department, against whom the complaint has been made, to prepare a package with all necessary information pertinent to the complaint for each panel member to review prior to hearing.
4. Monitor and tape the hearing.

At the time of the hearing both the grievant and the affected department shall have the opportunity to present their positions to the panel. The panel members will also have the opportunity to pose questions to both parties. After the affected parties have presented the facts, and after all questions posed by the panel have been answered the hearing shall be closed and the panel shall meet privately to deliberate.

Within fourteen (14) days from the date of the hearing the panel shall issue its decision. The Chairperson shall prepare the decision of the panel. The Chairperson shall send the written decision to each panel member for review and signature prior to its submission to the affected parties. The decision of the panel is final and no further appeal shall be available within the administrative branch of County government.

Recordkeeping

The Office of ADA Coordination shall maintain files on complaints received along with all communications, recommendations, and other records pertinent to the complaints for a period of at least three (3) years.

Alternative Remedies

Coordination of Procedure

The Miami-Dade County Office of ADA Coordination, 111 N.W. 1st Street, 12th Floor #348, shall be the agency responsible for coordinating the County's grievance procedure and will serve as the conduit between the grievant and the department against whom the complaint is made. The Office will provide the department with the necessary technical assistance needed in reaching resolution of the complaint. The Office will make all attempts to assist the department in reaching an amicable resolution to the complaint; however, the office of ADA Coordination shall have no authority to direct the department in the manner in which the department ultimately decides to respond to the complaint.

Employment discrimination complaints should be sent to the Office of Fair Employment Practices, 111 N.W. 1st Street, Suite 2720.

This letter, addressed to the grievant and signed by the Department, shall be transmitted to the Office of ADA Coordination within the specified time period. The response shall be mailed to the grievant by the Office of ADA Coordination with a cover letter informing the grievant of their ability to appeal the decision enclosed and the procedure which the grievant must follow in requesting an appeal. In no instance shall the Department mail their response directly to the grievant.
3. In the event that a complainant submits a written complaint to the operating department, the department shall send a copy of the complaint to the Office of ADA Coordination within five (5) days. That action will constitute a filing by the complainant with the Office of ADA Coordination as required in Section IV of this document. The Department will have thirty (30) days from receipt of written complaint to respond to complainant.

- Several Public Housing residents;

- Linda Pierre, from the Independent Review Panel.

Refer to attached Sign In Sheet for complete listing of attendees.

PRESENTATION:

Pat Sharifi, Special Projects Administrator II, from QAC, acted as moderator. Ms. Sharifi provided the welcoming remarks, requested from MDHA staff members present to introduce themselves, and presented an overview of the ACOP revision. The floor was opened for questions and comments from the public.

COMMENTS RECEIVED:

Mr. Smith, Ms. Sharifi, Ms. Poster-Ellis, and Mayra Santamaria from QAC, provided answers to comments from Barbara Pierre and other attendees, as follows:

Barbara Pierre, President, Liberty Square Resident Council and OTAC's last President:

- Page 4 (Section B): there is a conflict, because if MDHA prepares the ACOP revision it should not approve it.
 - Mr. Smith clarified that the revised ACOP had not been approved yet, and that it will be approved by the BCC on March 1, 2005. Also, that the County Attorney's Office's opinion is that the revision of the ACOP process is consistent with Federal regulations and that such process has been approved by USHUD.
- Page 16: where states that sixteen (16) years and older are required to sign the Personal Declaration form and other authorization forms, should be changed, because minors should not sign declaration and authorization forms.
 - Ms. Sharifi clarified that pursuant to her written comments, such provision had been already changed in the January'05 draft ACOP, and the statement now reads "all adult family members". Note: Ms. Pierre was provided with a copy the January'05 draft, as she was referring the December'04 version that mailed to resident council presidents for comments.
- Page 41: on the Earned Income Disallowance (EID) section, it should indicate that the EID is for four (4) years: the first year is 100% disallowance and the other three (3) years are at 50% disallowance.
 - Ms. Santamaria clarified that the EID is 100% disallowance for the first 12 cumulative months and 50% disallowance for the next 12 cumulative months (not three (3) years), for a total live-time period of 48 months (four (4) years).
 - Ms. Sharifi explained that the EID wording on page 41 was a general provision.
 - Mr. Smith indicated to add a sentence regarding the four (4) years to this section of the ACOP, to clarify this issue.
 - At a later time, Ms. Sharifi indicated that a complete explanation on EID was found on page 61, and that the reference on page 41 was a general statement, regarding rent adjustments.
- Page 44: regarding school truancy as one of the reasons for termination of lease, Ms. Pierre indicated that Federal law allows children to withdraw from school and to change schools. She does not want children to be out of the school, but this clause should not be in the lease.
 - Ms. Sharifi said that her comment will be considered.
- Page 4: states that the Adker Consent Decree was for five (5) years; however, the ACOP says that it is for 10 years.
 - Mr. Smith clarified that in general, the Adker Decree is for 10 years, until 2009; although some portions of the Decree had expired in five (5) years.
- Transfer Policy: Disabled persons should have priority for transfers, as stated in the ACOP.
 - Mr. Smith added that the purpose of the Equal Opportunity Law is to provide priority to disabled persons.

Ms. Sharifi asked if there were any more comments or questions from the public. Ms. Poster-Ellis indicated that the public hearing should continue until 11:00 a.m., since it started at 10:00 a.m.

- Ms. Pierre asked about the distribution of the ACOP for the comment period and if the ACOP was distributed to LIFFT.
 - Ms. Sharifi answered that the ACOP was distributed to resident council presidents, other organizations, including LIFFT, and that comments had been received and included in the final draft.
 - Mr. Smith explained that the public hearing and comment period for the ACOP revision were not required by regulation, only for the PHA Plan. However, MDHA agreed with USHUD to offer the opportunity for comments on the ACOP and the Reasonable Accommodation Policy, as part of the Voluntary Compliance Agreement. This public hearing is the last opportunity for resident's comments.

Mr. Smith further stated that MDHA will execute a Voluntary Compliance Agreement (VCA), which will allow MDHA to fulfill requirements to accommodate Reasonable Accommodation requests for persons with disabilities and to make units and common areas in compliance with ADA requirements. The VCA will be a six (6) year agreement. It requires providing training to MDHA staff on Reasonable Accommodation requirements and procedures. Mr. Smith proposed that OTAC should be also part of the training.

Mr. Smith requested from Mr. Howe to provide a brief on the Reasonable Accommodation Policy and Procedures, which is Appendix IV to the ACOP. Mr. Howe provided an overview of the Reasonable Accommodation provisions, went over the required forms, and explained how to make a Reasonable Accommodation request.

- Ms. Pierre proposed that OTAC could help residents in completing the Reasonable Accommodation forms and obtaining information from the doctors.
 - Mr. Howe said that if OTAC talks to the doctor, it may slow the process and it would violate the resident's right to confidentially related to medical records.
 - Mr. Smith stated that OTAC can assist the resident to fill out the RA forms, but not to obtain information from the doctors, because of the confidentiality issue.

After Mr. Howe finished his presentation, the floor was opened again for questions on the Reasonable Accommodation Policy and the revised ACOP, in general.

Jessie Harris, President, Edison Plaza Resident Council

- Mr. Harris asked if the background check will be done for applicants and for residents as well.
 - Ms. Sharifi answered that the regulation allows for background checks on applicants and residents.
 - Ms. Poster-Ellis clarified that when background checks are done, the type of crime will be taken into consideration. For example, murder is treated differently than other non-violent crimes.

Antonio Tella, Resident, Haley Sofge Towers:

- Mr. Tella explained that when there is a game in the Orange Bowl, located across the street from Haley Sofge where he resides, the traffic to access his building, and the other two buildings in the area, gets very congested. He said that he was very concerned with the situation, because it was a matter of life and death for the elderly and disabled residents of those buildings. For example, during the last game, it took him 40 minutes to get to Sedan's Supermarket. Mr. Tella explained that usually, the rescue comes once or twice a week, because many elderly/disabled persons live on those buildings. He was concerned that in case of fire or medical emergency help could not arrive on time, when there is a game. Mr. Tella said that if a new stadium is built, the access to the buildings by the rescue or fire fighters could be very difficult. Mr. Tella requested from management to look into that issue.
 - Mr. Smith and Ms. Sharifi said MDHA will look into that issue.

Linda Pierre, Independent Review Panel

- Asked a question regarding Section 8 Landlords.
 - Ms. Sharifi informed that the PHA Plan was in process and that Section 8 will have a meeting with the Section 8 Resident Advisory Board (RAB). The Section 8 RAB comments will be taken into consideration for the preparation of the PHA Plan.

Lottie Hines, President, Model Cities Resident Council

- Asked if the background checks will be done to the residents also.
 - Ms. Poster-Ellis answered that MDHA will start doing background checks at recertifications.
 - Mr. Smith added that everything will be considered on a case-by-case basis.

Ms. Sharifi asked if there were more questions. Since there were no more questions, Ms. Sharifi made the closing remarks by thanking the attendees, and the public hearing was concluded shortly after 11:00 a.m.

Delivered Via Telefax: (305) 541-6716

To: Mr. Alfonso Brewster, Director

From: Ms. Barbara Pierre, President
Dade County OTAC

Ref: Lease and Policy Comments

Please be advised that this memorandum is being fax forwarded to you with comments and questions.

First and foremost; will the new Lease and Policies be attached as one? The reason for asking is that if it is to be part of the lease it should be attached to the lease for it can be changed without the knowledge of the residents.

Response to Eviction for Truancy and Withdrawal from school #13 page 45:

In this time and age education is most needed, but to deny a child from withdrawing from school, encourage them to stay or attend another school, for many times the children have been marked absent but was in school. I watch some school persons change the children status and change present to absent. Remember, this type of practice was conducted against my child, and to find out that she was in class each day. Today, my daughter attends college and is doing quit well.

We as public housing parents must learn how to protect their children rights as children attending public schools. "This writer will be conducting Workshops on Parents Rights With Children Attending School, and how to protect their children in school, and resources for assistance when deem necessary.) The 1996 Legislative Amendment supports that a child can withdrawel from school, but again, the workshops will be useful for many families. The adult parents will learn how to protect their children attending pubilc schools.

Furthermore, this type of eviction appears to violate the Privacy Act as per submitting information as per school attendance. A letter that the child attends school is sufficient and would not violate the Privacy Act, or the Miami Dade County Public Schools Student/Parent Privacy Act. Truancy is not grounds for eviction. If MDHA deems so, this shifts the burden of proof to MDHA to justify the intrusion on privacy, for there is already a legal procedure for Truancy in place by the State adn Miami-Dade Public Schools. For MDHA to request the information as per School Attendance intimidate personal information that substantiallyly

exceeds that which the federal regulations contemplate. Such a requirement doesn't belong in a residential lease. There is no authority for requiring school attendance as a condition of continued occupancy under federal or Florida law, Florida Statute Section 83.45 and 24 C.F.R. Section 966.4 (C)(2). Under Florida law, Florida Statute 232, all parents have the right to provide home schooling to their children. The right of privacy is a fundamental right that demands that intrusion into private matters can only be justified by a compelling state interest standard. **NOTED:** There is nothing to violate if MDHA want a letter from the school signed by the principal or his/her designee that the child attend their school should be acceptable.

In accordance to 16 year old children signing certain forms, please provide this writer with the law type support this type of practice. One would think that at age 16 is still a minor for a teenager to sign Personal Declarations and other necessary forms such as Authorizations for Release of Information, wouldn't this take away the parents rights of their children? Please advise. It appears if a 16 year old can fill out Personal declarations, than the same 16 year old could be head of household, for this too is an adult responsibility.

In closing, the packets are the best that OTAC have had the privilege of submitting comments to, therefor, you and your staff are complimented.

Income - Annual Income and Income Limits

The Very-Low Income and Low-Income Median needs to be changed to lower dollar amounts. Because very-low income and Low-Income workers do not make the amounts. The areas need to be subdivided because some areas of Miami are higher in rent than other locations. Some areas are elderly with low income, some are families & elderly with very-low income.

This will make housing affordable for them, too!

Thank you for incorporating the changes I requested into the ACOP. The language satisfies all of my concerns concerning the local preference for the ALFs. Have a great holiday and Happy New Year!

Good afternoon Jose:

This is to confirm our conversation this afternoon. I have incorporated the new language you suggested concerning the local preference. That language appears in red on page 14. You have indicated that you are now satisfied with the ACOP and as such we will publicize and set it for public hearing. Thank you and everyone for their valuable input. Have a happy holiday!

Hi Dale & Terrence,

I think I can speak for myself and, at least, FHEO and say that I don't think that we need to see another draft version of the ACOP in order for you to finalize it for final processing. Of course, I'm happy to take a final look at the "final ACOP"; however, I just want to stress that it's not necessary - at least from this end. Rather, we'd prefer that MDHA move forward on the final processing of this matter toward reaching the ultimate goal of December 20 for submission to the County and Board.

Thanks again,

 Subject: Re: FW: Revised Draft ACOP

Good morning,

I am happy (& relieved) to report that we've reviewed the amended ACOP that Terrence circulated yesterday afternoon and it appears that Dale, Terrence & Co. have incorporated all the relevant items that we previously circulated and discussed during our recent telephone conversation.

I have only one edit, as noted below, to page 25 of the attached ACOP. (I understand that your 12/16/04 ACOP incorporates, verbatim, the language that we proposed via our 12/15/04 email; however, I think - as Beth's 12/15/04 email pointed out - that since to Adker Consent Decree issues are so critical, we should probably ensure that the cross-reference to Adker (from the earlier and initial reference on page 4 of the ACOP) is extremely clear to anyone reading and/or following MDHA's ACOP.) Accordingly, I recommend the following language for the prefatory paragraph under III. - Tenant Selection & Assignment Plan - page 25:

This ACOP incorporates and implements the provisions of the Adker Consent Decree, as previously referenced in Paragraph 1 (C) of this ACOP, on Applicant Processing, Tenant Selection, Placement and waiting list management. Nothing contained herein is intended to change, amend or replace any provision of the Adker Decree. Wherever conflicts may occur between both documents, the provisions of the Adker Decree shall govern.

Otherwise, I think this looks great! Thanks for everyone's diligence and
